Beyond Head Knowledge Knowing Christ Who Satisfies Our Hearts:

Beyond Head Knowledge Naomi Fata, 2014-04-30 Do you desire close fellowship with God but don't sense His presence Have you ever questioned the reality of the Christian faith wondering why you don't have the joy and peace promised in Scripture As the daughter of a pastor and saved since age four Naomi longs to follow God but He seems distant and far away Though she practices the disciplines of the Christian faith Bible reading prayer and Scripture memory these do not satisfy her thirst to know God Beyond Head Knowledge is the true story of a young woman grasping the promise of Jeremiah 29 13 14 You will seek me and find me when you seek me with all your heart and the discoveries of her heart she made along the way To seek To find To know God *4 Keys to Hearing God's Voice* Mark Virkler, 2010-08-01 Based on the highly popular and successful book *How to Hear God's Voice* this exciting new book emphasizes the 4 Keys to Hearing God's Voice When I learned to hear God's voice after 11 years as a believer without it every part of me was radically transformed Thousands have told me they have had this same metamorphosis and I believe that this will become your testimony also writes co author Mark Virkler The keys that are examined discussed in detail and can be immediately applied to your life are How to recognize God's voice as spontaneous thoughts Learning how to become still before the Lord Looking for vision as you pray Realizing the importance of two way journaling Filled with insights from years of hearing from God *4 Keys to Hearing God's Voice* also includes visual aids that enhance the teaching and learning experience Very reader friendly you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle Designed to bring even more depth to your relationship with God this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study Either as a stand alone book or as part of a package you are sure to gain valuable encouragement and motivation to seek intimate communication with God your heavenly Father **Romancing the King** Brian Lake, 2010-11-01 *Romancing the King* is a description of God's yearning for relationship and intimacy with you Like Esther in the Bible you are permitted to enter the King's presence because you have been invited the King desires you Intimacy with your Lord is a close personal relationship where you can openly share with each other private information To gain access to the splendor of His Kingdom you must establish a relationship with the King *Romancing the King* shows you how to enter His presence You will explore God's glory through friendship and fellowship The nature and character of God Practical steps about how to spend time with Him Your purpose and destiny The intimate details necessary to enter the deepest level of worship You will be drawn into a divine romance with the King of the universe as you examine the disciplines of fasting prayer worship and praise and the ministry of the Holy Spirit all working together to deepen the romance between you and your God Each chapter concludes with several Points to Ponder giving you the opportunity to experience fully all of God's peace and love as you Romance the King [Straight to the Heart of Luke](#) Phil Moore, 2017-04-21 Luke is excited As the only non Jewish writer in the New Testament he can hardly believe that God became a human not just for Jewish boys like Peter

and Paul but for Gentiles just like him His excitement about the Gospel is contagious as he tells us wide eyed All of this happened for you too Want to explore Luke but feel like you don t have the time Straight to the Heart of Luke is a concise and bite size approach to Bible study giving you nuggets of information that you can think about throughout the day Bible study for busy people Luke was so unlike the other New Testament writers that many of his contemporaries believed he wasn t qualified to write Scripture at all But to understand the message of his gospel we need to grasp who he was Luke was the only New Testament writer who was not a Jew The apostle Paul defends him by stating explicitly that his gospel was as much Holy Scripture as the Old Testament Luke was an outsider to the Jewish faith that God inspired to compile an account of the life of Jesus in order to show people all around the world that what Jesus said and did him said and did for us all The astonishing message of Luke s gospel is that what happened to Jesus happened for you Phil Moore helps us to understand and see God s wisdom in choosing Luke as a writer He shows that Luke assures us that this isn t someone else s story he came for you We can say yes to Jesus discovering that he can use you And that all this is possible because he made a way for you

The One Year Experiencing God's Presence Devotional Chris Tiegreen,2022-10 This year experience a closer relationship with God than ever before All of us long for God s presence and we sense it occasionally But there are times when it seems like something s missing deep encounters with him certainty that we have heard his voice and a palpable experience of his presence every day Like no other writer can Chris Tiegreen draws us deeper into real intimacy with our intensely relational God This deluxe LeatherLike edition of The One Year Experiencing God s Presence Devotional will cultivate your sense of God s presence in your life help you learn to recognize his voice and deepen your trust that he is always ready to help Psalm 46 1 NLT in every situation **Many Thoughts of Many Minds** ,1863 *Many thoughts of many minds. Sermons to a Country Congregation Augustus William Hare,1839 **Chaos to Calm** Lisa S. Arnold,2016-03-08 Chaos to Calm Fulfilling Life s Purpose Through Worship is a guiding light for those who are searching and disillusioned in their lack of fulfillment and purpose in life It seeks to lead the discontented dissatisfied and unfulfilled down the only life fulfilling passageway A passageway leading to the only true Light and Giver of contentment and purpose Jesus Christ the One our hearts were created to worship Before true worship can occur we must first understand what worship is and to whom it is to be offered Worship is not exclusively a Sunday morning activity True worship encompasses every aspect of our lives work play and church Everything we say and do every minute of every day is to be offered as our worship We must also realize that we do not come before a gentle Shepherd but before the mighty terrifying King of Ezekiel and Revelation As we see Jesus for who He truly is we will then begin to walk in the fear of the Lord Only as we see Jesus in His rightful state and walk in the fear of the Lord will we be able to express true worship and experience the fulfillment and purpose our hearts desire For the believer who in the midst of all his service and church related activities can find no relief from the

discontentment of life Chaos to Calm offers enlightenment in the knowledge that true contentment will never be ours until we fill the emptiness of our lives with Jesus Christ Through Him alone were we created to be satisfied Through Him alone all worship belongs
