Thumma, Dave Travis, 2007-08-10 Drawing on extensive broad based and well designed research as well as stories and anecdotes *Beyond Megachurch Myths* dispels popular myths about megachurches while highlighting the diversity within the megachurch phenomenon Defining a megachurch as a Protestant church that averages at least 2000 total attendees in their weekend services Scott Thumma and Dave Travis reveal what these churches are and are not why they are thriving what their members say about their experiences and why they have many valuable lessons to teach smaller churches *Full Service* Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan's focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood *Multisite Churches* Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God's design for the local church but does Scripture support this claim In *Multisite Churches* pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church's future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters *Multisite Churches* is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource *Winning On Purpose* Dr. John E. Kaiser, Thomas G. Bandy, Bill Easum, 2010-09-01 Do you really want the mission to succeed Are you prepared to live within clear boundaries Are you ready to align yourself with a greater purpose Do you have what it takes *Winning on Purpose* offers leaders a way to organize congregations for success by creating structures that enable church life and health As a comprehensive and powerful application of the biblical call to mission *Winning on Purpose* sets forth the Accountable Leadership strategy This model of leadership brings together standards for mission boundaries and accountability and then shows how these standards come to life through the performance of four key players the board the pastor the staff and the congregation To read a sample from the book click here [Ten Dumb Things Smart Christians Believe](#) Larry Osborne, 2009-04-14 In this delightfully personal and practical book respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous People don't set out to build their faith upon myths and spiritual urban legends But somehow such falsehoods keep showing up in the way that many Christians think

about life and God These goofy ideas and beliefs are assumed by millions to be rock solid truth until life proves they re not The sad result is often a spiritual disaster confusion feelings of betrayal a distrust of Scripture loss of faith anger toward both the church and God But it doesn t have to be so Respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous including Faith can fix anything God brings good luck Forgiving means forgetting Everything happens for a reason A godly home guarantees good kids Get ready to be shocked relieved and inspired in the pages of *Ten Dumb Things Smart Christians Believe* Because the truth is meant to set us free not hurt us *Church and Academy in Harmony* Tony Blair,2010-08-01 Why do church leaders and the leaders of their institutions of higher learning seem to speak different languages Why are relationships between church and academy so filled with tension and misunderstanding This insightful and provocative volume written by one with leadership experience in both camps explains those dynamics Tony Blair parses the cultural and theological trends that have created this gap in recent decades and notes how those same patterns yet offer hope for the future Blair delineates five models of more collaborative relationships between church and academy three of which are drawn from the creative positioning of existing institutions that serve as case studies and two of which describe the academy of the future For church and university leaders alike as well as all those who care about the relationship of these two essential institutions in the fulfillment of God s kingdom *Church and Academy in Harmony* offers a readable and intelligent analysis **Kingdom Expressions** J.D.
