K-12 National Research Council,Division of Behavioral and Social Sciences and Education,Commission on Behavioral and Social Sciences and Education,Committee on Indicators of Precollege Science and Mathematics Education,1988-02-01 This book presents a carefully developed monitoring system to track the progress of mathematics and science education particularly the effects of ongoing efforts to improve students scientific knowledge and mathematics competency It describes an improved series of indicators to assess student learning curriculum quality teaching effectiveness student behavior and financial and leadership support for mathematics and science education Of special interest is a critical review of current testing methods and their use in probing higher order skills and evaluating educational quality Detracking for Excellence and Equity Carol Corbett Burris Corbett Burris,Delia T. Garrity,2008-08-15 Ability grouping Leveling systems Streaming This is the modern way of talking about tracking the traditional practice of sorting and selecting students based on test scores and other criteria and then steering these groups into the most appropriate course of study In 1987 New York s suburban Rockville Centre School District faced the fact that its longstanding tracking system was resulting in unequal educational opportunities and allowing racial and socioeconomic stratification of its student population School leaders embarked on an

ambitious program of reform reexamining beliefs about intelligence ability and instruction and offering all students the opportunity to study a rigorous curriculum in heterogeneous classrooms In this book authors Carol Corbett Burris and Delia T Garrity veterans of the Rockville Centre School District offer an experience based and research supported argument that detracking implemented with planning patience and persistence can do in every school district what it did in theirs raise achievement across the board and dramatically narrow the achievement gap Their main goal is a practical one to provide educational leaders with proven strategies for launching sustaining and monitoring a successful detracking reform Here you ll read Why detracking is necessary the benefits it brings and how to build support among teachers and parents How to revise curriculum to level up instruction How to establish a multiyear personalized professional development program to help teachers address new instructional needs How to best support effective teaching and learning in a heterogeneous classroom Detracking for Excellence and Equity outlines a comprehensive approach built on self reflection direct action vigilant supervision and a set of very clear beliefs that schools and opportunity matter that acceleration and enrichment will improve all students achievement and that all students deserve access to the best curriculum Biology Regents Power Pack Gregory Scott Hunter,2004-01-01 When Barron s study guide Let s Review Biology The Living Environment is combined with Barron s Regents Exams and Answers Biology in the economical Power Pack students can purchase it at a 2 95 savings off the price of both books purchased separately *Bulletin* United States.
