Customs and Cultures (Revised Edition) Eugene A. Zindaginama Krishna Sobti,2017-08-16 It is sometime in the first decade of the 20th century The British Imperialists have been in India for over 150 years However life in the small village of Shahpur in undivided Punjab has remained largely unchanged The menfolk look to the wealthy and worldly wise Shahji and his benevolent younger brother Kashi for support and advice while it is Shahji s wife s home and hearth that is the centre of all celebrations for the women Local disputes trade politics a trickling of news from the Lahore newspaper are all discussed every evening at the Shah s haveli But as the Ghadar Movement gains momentum elsewhere in Punjab and in Bengal bringing into focus the excesses of the British the simple village of Shahpur cannot help looking at itself The discontent has set in Krishna Sobti s magnum opus *Zindaginama* brilliantly captures the story of India through a village where people of both faiths coexisted peacefully living off the land

Classroom Assessment Lorin W. Anderson,2003-02-26 This book is based on the belief that decision making is perhaps the most critical of all teaching skills and that good assessments lie at the core of good decision making To become better teachers then teachers must learn to make informed decisions about both individual students learning decisions and about groups of students teaching decisions This book gives equal status to both types of decisions and shows how assessment is integral to both The organization of the book is sequential mirroring the way in which information should be used to make decisions It begins with a conceptual framework linking information to decision making then moves to the design of assessment instruments and the collection of assessment information then to the interpretation of assessment information and finally to reporting the results of both the assessment and the decision making process There is an emphasis throughout on linking why teachers assess with what and how they

assess Other key features include Practical Framework The book's framework corresponds to the framework that teachers use to grade their students conduct classroom behavior effort student motivation and achievement student learning Unique Chapters There are separate chapters on interpreting assessment information prior to decision making and on reporting assessment information to parents teachers and administrators Flexibility Because of its modest length and price and its practical focus on the links between assessment and everyday teacher decision making this text can be used either in full length assessment courses for teachers or to teach the assessment units in educational psychology or integrated methods courses

The Forest of Enchantments Chitra Banerjee Divakaruni, 2019-01-07 One of the most strikingly lyrical voices writing about the lives of Indian women Amitav Ghosh Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita this inversion is a gift it presents us with a way to know an already well known story better and to love an already beloved story more Arshia Sattar This inspired evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity It brings to life the personalities and predicaments of the Ramayana Namita Gokhale Among the many many Ramayanas there are now even thankfully some Sitayanas but I know of none with the special magic that Chitra Divakaruni brings to the telling Philip Lutgendorf Chitra Banerjee Divakaruni's Sita is an epitome of courage and self respect showing a path for all women While weaving a familiar story Chitra provides deep and surprising insights Volga An incomparable storyteller Denver Post Divakaruni's stories are irresistible The New York Times Book Review Divakaruni's storytelling talents put her right up there with the best Miami Herald In recasting the Ramayan as a love story Divakaruni accords Sita parity with Ram revealing her innate strength By giving primacy to her thoughts and feelings this also becomes the private tale of Shri and Shrimati Ramchandra Raghuvanshi two wonderful people who loved each other but who broke up To readers well acquainted with that tragedy of modern times the failed marriage it will appeal The ending however surpasses all expectations The Sunday Standard The success of both *The Palace Of Illusions* and *The Forest Of Enchantments* hinges acutely on the skill with which Divakaruni deploys the narratorial voice Mint *The Forest of Enchantments* is one of the simplest and most beautiful retellings of Sage Valmiki's epic Jetwings Chitra Banerjee Divakaruni does justice to the women of Ramayana *The Forest of Enchantments* is not just a retelling of a much told epic rather it is a book that tells it like it is balanced and non judgmental Huffpost A work of pluralities and possibilities This is the Sitayan we will give to our daughters that they may imbibe Sita's strength and even more proudly to our sons who will learn how a woman is to be treated The Wire Banerjee is markedly feminist Her spin on the most pivotal moment of Sita's life the agnipariksha episode is a moment of feminist brilliance Her Sita answers all the questions we would have had when listening to the Ramayana while leaving us with plenty of food for thought The New Indian Express Divakaruni's retelling reminds her readers that the Ramayana besides being a morality tale is a love story at its heart Huffpost Divakaruni and her women characters are a formidable pair The Wire *The Ramayana* one of the world's greatest epics is also a tragic love story In this brilliant retelling Chitra Banerjee

Divakaruni places Sita at the centre of the novel this is Sita's version The Forest of Enchantments is also a very human story of some of the other women in the epic often misunderstood and relegated to the margins Kaikeyi Surpanakha Mandodari A powerful comment on duty betrayal infidelity and honour it is also about women's struggle to retain autonomy in a world that privileges men as Chitra transforms an ancient story into a gripping contemporary battle of wills While the Ramayana resonates even today she makes it more relevant than ever in the underlying questions in the novel How should women be treated by their loved ones What are their rights in a relationship When does a woman need to stand up and say Enough

Serious Men Manu Joseph, 2017-08-16 Ayyan Mani appears to be just another man in Bombay stranded in the rot of a good marriage an unremarkable life and a dead end job as personal assistant to an insufferable astronomer called Arvind Acharya at the Institute of Theory and Research But Ayyan is not as simple as he appears To entertain himself and to give his wife the hope that they are heading towards a spectacular future he embarks upon a secret game weaving an outrageous fiction around his ten year old son As he builds

the small plots to promote the myth he sets in motion a chain of events that soon threatens to overtake him When the formidable reputation of Arvind Acharya plummets after a major scandal and he is rocked by the vicious office politics in the institute Ayyan sees in the crisis an opportunity to further his own game and make his son a national celebrity But in the exhilaration of the game lurks danger Alternately funny and poignant *Serious Men* is a savage satire on class love relationships and our veneration of science

Sourav Ganguly Saptarshi Sarkar, 2015-04-01 A no holds barred biography of one of India's most successful cricket captains Sourav Ganguly is a difficult icon He is undoubtedly one of India's most successful captains one who moulded a new team when India was at its lowest ebb reeling from the betting scandal There can be no argument about his cricketing genius right from the time he scored a Test century at Lord's to the time he led India to the 2003 World Cup final But the world of cricketing fans is divided into those who adore him fiercely and despise him greatly He could be arrogant on occasion Ganguly allegedly refused to carry the drinks as a twelfth man He constantly challenged authority Greg Chappell discarded him from the team during his stint as coach Ganguly cared little for convention remember the bare chested celebration at an Indian win Yet in all the years of his roller coaster ride through Indian cricket no one questioned the man's utter devotion to the game or his team In this account of one of India's greatest cricketers shot through with intimate details Saptarshi Sarkar tackles controversies around the legendary cricketer head on Racy and gripping *Sourav Ganguly Cricket Captaincy and Controversy* investigates the big events in Dada's interesting career It probes the symbiotic relationship between the man and the cricketer What was Ganguly thinking before a match Why did he demand that the grass be trimmed just before start of play at the Nagpur pitch What was the Indian dressing room like What was that Greg Chappell chapter all about An unflinching biography of a man who never shied away from controversies this is as much a ready reckoner for Sourav Ganguly fans as it is an examination of a crucial era in Indian cricket
