Bright Shiny Morning:

Bright Shiny Morning LP James Frey, 2008-07-22 One of the most celebrated and controversial authors in America delivers his first novel a sweeping chronicle of contemporary Los Angeles that is bold exhilarating and utterly original Dozens of characters pass across the reader's sight lines some never to be seen again but James Frey lingers on a handful of LA's lost souls and captures the dramatic narrative of their lives a bright ambitious young Mexican American woman who allows her future to be undone by a moment of searing humiliation a supremely narcissistic action movie star whose passion for the unattainable object of his affection nearly destroys him a couple both nineteen years old who flee their suffocating hometown and struggle to survive on the fringes of the great city and an aging Venice Beach alcoholic whose life is turned upside down when a meth addled teenage girl shows up half dead outside the restroom he calls home Throughout this strikingly powerful novel there is the relentless drumbeat of the millions of other stories that taken as a whole describe a city a culture and an age A dazzling tour de force **Bright Shiny Morning** illuminates the joys horrors and unexpected fortunes of life and death in Los Angeles
