Brilliant Made In The Image Of God:

Brilliant Bruce Malone,2014-11-06 Uses a timeline of scientific and archaeological facts to validate that the Creation account of the Bible is accurate Cultures throughout the world are filled with mysteries which do not fit the pervasive evolutionary time frame but make perfect sense if the Biblical timeline of history is accepted **The Image of God in Man** Walter J. Burghardt,1957 **The Image of God in Man According to Cyril of Alexandria** Walter J. Burghardt SJ,2008-01-20 *Imago Dei: Man/Woman Created in the Image of God* George Hobson,2019-09-30 The question What is human nature is in vogue today Like everything else this concept is being deconstructed in the context of the reigning ideology of individualistic materialism Is there a fixed human nature or is this simply a manipulatable social construct with no objective reference This book says Yes there is the imago Dei man woman created in the image of God Hobson argues that this text from Genesis 1 26 28 is a God given anthropological revelation that establishes the relational bond of human beings with their Creator and also with his creation for which the imago equips us to be responsible stewards Many of Hobson s essays were delivered as talks in parishes They explore from multiple angles the import of the imago Dei for theological and sacramental reflection apologetics aesthetics art and at a hands on practical level for pastoral counseling and inner healing His texts one of which opens with a discussion of genocide contain incisive critiques of the dark side of modernity alongside wide ranging demonstrations of the pertinence of the imago Dei to the current debates about human dignity and rights His book is a ringing call to the church to take the measure of the value of this anthropological revelation for its proclamation of the gospel In the Beginning Tommie McBrayer,2021-10-20 The book of Genesis is one of the most important books in the Old Testament Every major doctrine in the Bible is introduced in the first three chapters In In the Beginning author Tommie McBrayer shares insights about these pivotal chapters She tells how one cannot study Genesis without being awed by God s amazing power and by his love and care for the creatures he created including humans She illustrates his provision and protection in every chapter but most of all she calls attention to his eternal plan for humanity s salvation Praise for In the Beginning For Christians the first few chapters of the Book of Genesis are fascinating They pique our curiosity and lead us to wonder about God His creation and how everything began This book written by my close friend Tommie McBrayer is an invaluable resource to help answer some of the questions we ask about Genesis 1 3 Rather than rely solely on Bible commentaries Tommie uses the Bible to interpret itself when it come to the Genesis account of creation Her approach is Biblically sound and rich in historical Christian theology This book will be a great resource for your study of Genesis Dr David Belk Pastor Monterey Baptist Church Lubbock Texas **On Holy Images** Saint John of Damascus,Aeterna Press, A Treatise on Images will not be out of place in a public which is confusing the making of images with the making of idols A great Christian of the eighth century found himself called upon to face an imperial Iconoclast He would willingly have remained silent but he would not bury his talent of eloquence He brought it forth and witnessed to the teaching of the Church in
