Poetry Selections - Summary and Key Points/Questions and Answers

A Valediction: Forbidding Mourning - identify how the speaker feels regarding his absence

He is forced to leave, but he feels that his absence will make their love grow, as their two souls become one unified soul because he is confident in their love. The speaker and his lover experience a special kind of bond in which they are linked mentally and not just physically, so it doesn't matter as much if their bodies are apart. While he travels, she stays in a fixed position that provides him with the stability to go in a circular route that ends where it began (bringing him back to his lover once again).

The Seafarer - identify the plot and setting

An ancient Anglo-Saxon poem in which the elderly seafarer reminisces about his life spent sailing on the open ocean. He describes the hardships of life on the sea, the beauty of nature, and the glory of god. The speaker describes the often dreary and lonely life of a seafarer.

This poem takes place at sea. Adrift in the middle of a relentlessly stormy ocean, all the speaker can hear are the sounds of the surf and the cries of seabirds.

The Seafarer starts recalling his travels, and how he has endured much hardship during his time at sea. He claims that land-dwellers cannot comprehend the pain of spending winter in exile at sea, estranged from one's kinsmen and miserable in the cold. The Seafarer has no companion or earthly protector at sea. He feels compelled to take new journeys to faraway lands, surrounded by strangers. He claims that there is no man in the world who would be fearless about a treacherous sea journey, no matter how courageous, strong, or good he might be, and no matter how kind God has been to him in the past. A sea-journeying man does not desire women, treasure, or worldly pleasures. He is always longing for the rolling waves.

The Seafarer proclaims that the Lord's joy is more exciting than a fleeting "dead life" on Earth. The wealth of the Earth will wither someday, because it cannot survive forever. Men and women on earth will perish due to illness, old age, or armed conflict, none of which are predictable. The Seafarer urges every person to perform great deeds against the Devil so that, when that person does die, he or she will go to Heaven and his children will honor him.

The Wife's Lament - identify the wife's wish

The wife wishes that her husband with be sad-minded with hard heart-thoughts but have a smiling face along with his heartache and sorrows.

She wishes that that her husband, because of his cruelty to her, endures exile as well so that by direct experience he may come to understand the misery and suffering he has caused her.
