

RIFLE EXERCISES

THE SHORT LEE-ENFIELD.

The following instructions apply to the Short Lee-Enfield Rifle, an illustration of which is shown on this page.

Any difference for the longer rifles (Lee-Enfield or Lee-Metford) is noted in brackets.

After learning to perform them "by numbers," the recruit will be taught to do them judging the time, with a pause of one beat of quick time between each motion. If marching, each movement will be performed as left foot comes to the ground, but the hand will be cut away as right foot comes to ground.

Recruits should be taught the names of the different parts of the rifle before beginning the rifle exercises; and also, the care of arms should be explained to them.
