Broken Open The Hurley Boys:

Broken Open Lauren Dane, 2014-11-25 Beyond passion And beyond their control Five years ago Tuesday Eastwood's life collapsed and left her devastated After an empty nomadic existence she's finally pieced her life back together in the small Oregon town of Hood River Now Tuesday has everything sorted out Just so long as men are kept for sex and only sex Then she met him Musician and rancher Ezra Hurley isn't the man of Tuesday's dreams He's a verboten fantasy a man tortured by past addictions whose dark charisma and long lean body promise delicious carnality But this craving goes far beyond chemistry It's primal It's insatiable And it won't be satisfied until they're both consumed body and soul Broken Open

William Cope Moyers, 2024-09-03 William Cope Moyers was a model of sober success As his inspiring story of overcoming addiction was on its way to becoming a New York Times bestseller everyone thought he had finally achieved the redemption promised by recovery including him But the perfect story that helped Moyers become a famous face of the recovery movement was already unraveling revealing a yet to be healed chasm between his public persona and conflicted inner life A follow up to his 2006 memoir *Broken My Story of Addiction and Redemption* this is Moyers's story of the ups and downs of life beyond the bright moments of early sobriety and what happened when a new crisis invaded what once seemed like a steady and secure recovery William didn't know something was missing until it happened He'd been in recovery for alcohol and drugs for years He was a recovery activist and a spokesperson for the gold standard of treatment and recovery organizations He was a model leader and follower of Twelve Step programs But still he slipped And his slip lasted a few years Privately he was addicted to painkillers while publicly saying he was in recovery from alcohol and drug use So was he still in recovery How could this happen to someone who did everything right How did it go so wrong With brutal honesty and introspection William shares what happened after sobriety after he'd published his candid and shocking memoir *Broken* in 2006 While he no longer frequented or passed out on the floor of crack houses his life of sobriety wasn't perfect But his recovery was strong or so he thought Unfortunately the opioid epidemic was stronger It broke him *Broken Open* could be one long story of self justification Instead William takes a courageous look at the years he struggled and suffered to reclaim his recovery He concludes by sharing the new perspectives these experiences provided Recovery isn't black and white Our recovery stories aren't things we have to live up to they're journeys we get to live into All or nothing approaches don't address the complications that make us human As we continue our life journeys we learn and change and grow and the things and people that help us sometimes change too Diablo Lake: Awakened
