of wandering monks ultimately making his way towards enlightenment beneath the bodhi tree and spending the next 45 years sharing his insights along the banks of the Ganges The Buddhist canon is expertly harvested to provide insight into the Buddha's inner life and to grant a better understanding of how he came to play his pivotal role as founder of one of the world's largest religions

Daisaku Ikeda and Dialogue for Peace Olivier Urbain, 2013-08-09 The prominent Buddhist religious leader and advocate for peace Daisaku Ikeda has placed dialogue at the centre of his efforts towards securing global justice and conflict resolution However far from constituting abstract plans for the future of the world Ikeda's dialogues represent very concrete and focused activity He concentrates on one significant individual such as Joseph Rotblat Linus Pauling and Mikhail Gorbachev at a time or sometimes small groups in order to attempt the transformation of thinking and society through intense discussion This book offers detailed exploration of this crucial aspect of Ikeda's philosophy of peace Contributors examine topics such as the background to Ikeda's dialogic thinking as found in the Lotus Sutra Buddhism as a practical philosophy of dialogue Ikeda's use of dialogue specifically in the field of education and dialogue in relation to the abolition of nuclear weapons Ikeda's concept of dialogue emerges as a paradoxical movement towards common ground based on respectful difference This study will appeal to students of peace politics and modern Buddhism

World Peace through Inner Happiness Lela Ryterski, 2023-06-28 Nichiren a thirteenth

century Japanese Buddhist monk discovered a secret teaching that presents a powerful practical method to create inner happiness. It is known as a wish granting jewel or a cluster of blessings. Practitioners of this method gain wisdom, courage, confidence, and fortune in their lives. In *World Peace through Inner Happiness*, Lela Ryterski provides a concise history of the development of this practice used today by the Soka Gakkai, the organization that emerged from Nichiren's teachings. The Soka Gakkai has fostered a revolutionary worldwide Buddhist movement. Ms. Ryterski has been a member for over thirty-five years. She admits to having been a shy and timid person. Making wrong decisions and living according to others, she felt like a leaf in the wind. Through the practice of Nichiren Buddhism, she has become strong. She's learned that she's an important person and so is everyone. We're all born because we have a mission and we're on this path together. By infusing society with this teaching, we can transform the world from one mired in suffering to one of peace. *World Peace through Inner Happiness* gives a rational account of how to make the impossible possible. You cannot do all the good that the world needs, but the world needs all the good that you can do.
