Buddhist Boot Camp

Buddhist Boot Camp Timber Hawkeye, 2013-02-19 An inspirational collection of enlightening stories quotes and teachings to help you become a better you Buddhism is all about training the mind and boot camp is an ideal training method for this generation s short attention span The chapters in this book are a collection of eight years worth of letters and journal entries which is why each chapter is only a page long and can be read in any order The stories inspirational quotes and teachings offer mindfulness enhancing techniques to which anyone can relate You don t need to be a Buddhist to find this book motivational As the Dalai Lama says Don t try to use what you learn from Buddhism to be a Buddhist use it to be a better whatever you already are Whether it s Mother Teresa s acts of charity Gandhi s perseverance or your aunt Betty s calm demeanor it doesn t matter who inspires you so long as you re motivated to be better today than you were yesterday Regardless of religion or geographical region race ethnicity color gender sexual orientation age ability flexibility or vulnerability if you do good you feel good and if you do bad you feel bad If you agree that Buddhism isn t just about meditating but also about rolling up your sleeves and relieving some of the suffering in the world then you are ready to be a soldier of peace in the army of love welcome to Buddhist Boot Camp *Faithfully Religionless* Timber Hawkeye, 2016-01-26

Discover the difference between feelings and emotions the disparity between truths and facts and the countless benefits of mindful living When his pursuit of happiness in Corporate America feels counterproductive Timber Hawkeye escapes the fluorescent lit hell of his cubicle in Seattle and sets out to fully embrace the stress free lifestyle of Hawaii Intrigued and curious about what people believe and why they believe what they do he questions everything he ever thought was true and discovers the beauty of letting go If you consider yourself spiritual but not religious then you re going to love this inspirational book And if you want to lead a simple and uncomplicated life with happiness at your fingertips then you ll want to read this page turner more than once It s not that I m against religion I simply don t have one nor do I believe that we need it to be ethical My faith is doctrine free with a definition of God that doesn t conjure a white man in the sky who dispenses blessings for good behavior and harsh judgments to condemn the bad That s because I don t believe God does that religion does You see faith is a spiritual practice of continually letting go of certainty of ego and of the underlying need to know while religion is a ceremonial tradition of hanging on clinging to concrete dogmas stubborn rigidity and ageless rituals
