Buffy The Vampire Slayer Once More With Feeling The Script Book:

"Once More, With Feeling" Various, 2018-01-30 Giles to Buffy What did you sing about Buffy I uh don t remember But it seemed perfectly normal Xander But disturbing And not the natural order of things and do you think it ll happen again Cause I m for the natural order of things Since she s been brought back from the dead for the second time Buffy the Vampire Slayer hasn t quite been feeling her calling Sure she still gives the underworld a run for its money but her heart just isn t in the job Luckily she s been able to keep her lack of enthusiasm a somewhat secret Until now When someone accidentally summons a music making demon named Sweet Buffy finds herself belting out her most private emotions And she s not the only one before the battle is done each of the Scoobies will have uncovered through song and dance for better or for worse each others most guarded thoughts prompting the question where do we go from here Here in one volume find complete uncut dialogue song lyrics sheet music and a full color photo insert For the true fan a complete authorized guide to the smash hit musical episode *Once More with Feeling* Joss Whedon, 2002 When the musical episode *Once More With Feeling* was screened for the first time on Sky One early in 2002 reaction from UK fans was instant and overwhelming A new contender for the best episode of *Buffy* absolutely superb and simply brilliant were typical fan reactions on the letters pages of magazines such as SFX and the official *Buffy* magazine The critics agreed destined to become a legendary episode said the Times a delight lovingly packed with old school Hollywood magic said the Sunday Times A triumph even by this series heights If you watch nothing else this week WATCH THIS said the Evening Standard *Buffy* creator Joss Whedon has surpassed himself with the musical masterpiece that is *Once More With Feeling* in which the residents of Sunnydale are visited by a demon who takes sadistic delight in forcing his victims to express themselves in song In the process *Buffy* and her friends are made to reveal inner secrets which would otherwise have remained unspoken leading to humour high drama and sometimes moments of poignancy and grief Not least of his achievements is that Whedon wrote both lyrics and music for the entire episode despite having never written songs before Now this facsimile edition of the original shooting script with the added bonus of sheet music and a colour photo insert from the show gives every *Buffy* fan the chance to appreciate this extraordinary creation in all its exuberant detail Music, Sound, and Silence in *Buffy the Vampire Slayer* Janet K. Halfyard, Paul Attinello, Vanessa Knights, 2017-07-05 The intense and continuing popularity of the long running television show *Buffy the Vampire Slayer* 1997 2003 has long been matched by the range and depth of the academic critical response This volume the first devoted to the show s imaginative and widely varied use of music sound and silence helps to develop an increasingly important and inadequately covered area of research the many roles of music in contemporary television In addressing this significant gap this book provides an exemplary overview of the functions of music and sound in the interpretation of a television show This is done through analyses that focus on scoring and source music the title theme the music production process the critically acclaimed musical episode voted number 13 in Channel Four s One Hundred Greatest

Musicals the symbolic and dramatic use of silence and the popular reception of the show by its international fan base In keeping with contemporary trends in the study of popular musics a variety of critical approaches are taken from musicology cultural studies and media and communication studies specifically employing critique musical analysis industry studies and hermeneutics

Buffy the Vampire Slayer: Carnival of Souls Nancy Holder, 2006-04-29 SOMETHING WICKED EVIL THIS WAY COMES There s something troubling about Professor Caligari s Traveling Carnival Perhaps it s that no one can recall the arrival of its hard to miss caravan of old style wagons countless performers and horse drawn carts Maybe it s the creepy calliope music that tirelessly beckons visitors Let s face it an enigma that chooses Sunnydale nearly guarantees it s up to more than wholesome family entertainment After a visit to the carnival s Hall of Mirrors a once shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway Intuiting the twins abrupt personality change as more than a self confidence boost Buffy joined by Angel Giles and the rest of the Scoobies decides to investigate the suspicious carnival firsthand But soon it s apparent that the price of admission is higher than she imagined Those who enter the carnival s attractions exit changed Each of the gang soon shows extreme displays of vice Willow is wracked with envy Cordelia s greed consumes her Xander unleashes his gluttony Angel reveals a lusty new persona And a dark anger rises in Giles But it s Buffy s now blinding pride that threatens to overpower her and in the process destroy those she loves

Buffy, Ballads, and Bad Guys Who Sing Kendra Preston Leonard, 2010-11-16 When writer and director Joss Whedon created the character Buffy the Vampire Slayer he could hardly have expected the resulting academic interest in his work Yet almost six years after the end of *Buffy* on television *Buffy* studies and academic work on Whedon s expanding oeuvre continue to grow Now with three hugely popular television shows *Buffy the Vampire Slayer* *Angel* and *Firefly* and the film *Serenity* all available on DVD scholars are evaluating countless aspects of the Whedon universe or Whedonverse *Buffy Ballads and Bad Guys Who Sing Music in the Worlds of Joss Whedon* studies the significant role that music plays in these works from *Buffy the Vampire Slayer* to the internet musical *Dr Horrible s Sing Along Blog* Kendra Preston Leonard has collected a varying selection of essays that explore music and sound in Joss Whedon s works The essays investigate both diegetic and non diegetic music considering music from various sources including the shows original scores music performed by the characters themselves and music contributed by such artists as

Bad Bargain Diana G. Gallagher,2018-01-30 Off the rack gives me hives Cordelia Out of Mind Out of Sight The Scoobies are used to being personally affected when demonic nasties come to Sunnydale And they re used to strange things happening at Sunnydale High after all the place is built over the Hellmouth But

they've sealed the Hellmouth so they don't think anything's out of the ordinary when items to be sold at the first annual band fund raising rummage sale are stored in the school basement which one might recall is directly above that Hellmouth. Once the rummage sale begins it's clear the stuff for sale is far from ordinary. People seem to be strangely affected by the items they're buying things from undemonic homes donated by undemonic people. So the reactions these items are producing are to say the least unexpected. Willow's acting weird. So's Xander. And even Buffy's mom bought something. The situation quickly spins out of control and the school has to be quarantined leaving Buffy and Giles to sort things out before whatever demon this is sells them down the river.
