Buffy Vampire Slayer Staffel 1

Matthew Pateman

Buffy Vampire Slayer Staffel 1:

The Whedonverse Catalog Don Macnaughtan, 2018-06-04 Director producer and screenwriter Joss Whedon is a creative force in film television comic books and a host of other media This book provides an authoritative survey of all of Whedon s work ranging from his earliest scriptwriting on Roseanne through his many movie and TV undertakings Toy Story Buffy the Vampire Slayer Angel Firefly Serenity Dr Horrible The Cabin in the Woods and Agents of S H I E L D to his forays into the Marvel Cinematic Universe The book covers both the original texts of the Whedonverse and the many secondary works focusing on Whedon s projects including about 2000 books essays articles documentaries and dissertations Girl Warriors Svenja Hohenstein, 2019-06-07 Quest narratives are as old as Western culture In stories like The Odyssey The Lord of the Rings Star Wars and Harry Potter men set out on journeys fight battles and become heroes Women traditionally feature in such stories as damsels in need of rescue or as the prizes at the end of heroic quests These narratives perpetuate predominant gender roles by casting men as active and women as passive Focusing on stories in which popular teenage heroines Buffy Summers Katniss Everdeen and Disney s Princess Merida embark on daring journeys this book explores what happens when traditional gender roles and narrative patterns are subverted The author examines representations of these characters across various media film television novels posters merchandise fan fiction and fan art and online memes that model concepts of heroism and girlhood inspired by feminist ideas **Reading Joss Whedon** Rhonda V. Wilcox, Tanya R. Cochran, Cynthia Masson, David Lavery, 2014-05-16 In an age when geek chic has come to define mainstream pop culture few writers and producers inspire more admiration and response than Joss Whedon From Buffy the Vampire Slayer to Much Ado About Nothing from Dr Horrible s Sing Along Blog to The Avengers the works of Whedon have been the focus of increasing academic attention This collection of articles represents some of the best work covering a wide array of topics that clarify Whedon s importance including considerations of narrative and visual techniques myth construction symbolism gender heroism and the business side of television The editors argue that Whedon s work is of both social and aesthetic significance that he creates canonical television He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable From the focus on a single episode to the exploration of an entire season from the discussion of a particular narrative technique to a recounting of the history of Whedon studies this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a course on his works Joss Whedon Matthew Pateman, 2018-06-07 This book assesses Joss Whedon s contribution to US television and popular culture Examining everything from his earliest work to his most recent tweets and activist videos it explores his complex and contradictory roles as both cult outsider and blockbuster filmmaker Crucially the book insists on the wider industrial technological political and economic contexts that have both influenced and been influenced by Whedon rejecting the notion of Whedon as isolated television auteur Using key source material with exclusive access to drafts of many of the episodes

across Whedon's career as well as unique correspondence with Whedon collaborator Jane Espenson this book offers unparalleled access to the creative process that helped produce the series *Buffy the Vampire Slayer*, *Angel*, *Dollhouse* and *Firefly*. Energetic, engaging and informed by detailed scholarship and theoretical rigour, the book is not just an essential addition to the study of Whedon but a timely and important reinvigoration of television studies in general. **Blood Obsession** Jörg Waltje, 2005. What is it about vampires that fascinates the human imagination? *Blood Obsession* closely scrutinizes theories of Sigmund Freud and Tzvetan Todorov and arrives at a model of the vampire as the perfect representative of genre for a variety of reasons: the vampire figure appeals to its audience because of an interdependency of looplike mental and narrative structures that lure both reader and writer incessantly back to the genre. At the same time, this book provides the reader with a thorough survey of literary and filmic vampires in both adult and juvenile fictions. Lastly, it blends the realms of legal and literary history by highlighting the changes the image of the serial killer, a close relative of the vampire, underwent at the end of the twentieth century. *Blood Obsession* is a highly enlightening study for the general reader as well as for students of film, literature and popular culture.

The Sacred in Fantastic Fandom Carole M. Cusack, John W. Morehead, Venetia Laura Delano Robertson, 2019-04-16. To the casual observer, similarities between fan communities and religious believers are difficult to find. Religion is traditional, institutional and serious, whereas fandom is contemporary, individualistic and fun. Can the robes of nuns and priests be compared to cosplay outfits of Jedi Knights and anime characters? Can travelling to fan conventions be understood as pilgrimages to the shrines of saints? These new essays investigate fan activities connected to books, film and online games such as Harry Potter-themed weddings, using *The Hobbit* as a sacred text and taking on heroic roles in *World of Warcraft*. Young Muslim women cosplayers are brought into conversation with Chaos magicians who use pop culture tropes and characters. A range of canonical texts such as *Supernatural*, *Buffy the Vampire Slayer* and *Sherlock* are examined in terms of the pleasure and enchantment of repeated viewing. Popular culture is revealed to be a fertile source of religious and spiritual creativity in the contemporary world.

Joss Whedon as Shakespearean Moralizer J. Douglas Rabb, J. Michael Richardson, 2014-12-04. Drawing on the works of Shakespeare and American screenwriter Joss Whedon, this study in narrative ethics contends that Whedon is the Shakespeare of our time. The Bard wrote before the influence of the modern moral philosophers, while Whedon is writing in the postmodern period. It is argued that Whedon's work is more in harmony with the early modern values of Shakespeare than with modern ethics, which trace their origin to 17th and 18th century moral philosophy. This study includes a detailed discussion of representative works of Shakespeare and Whedon, showing how they can and should be read as forms of narrative ethics.

Slaying Is Hell Alyson R. Buckman, Juliette C. Kitchens, Katherine A. Troyer, 2022-12-12. The films, television shows and graphic novel series that comprise the Whedonverse continually show that there is a high price to be paid for love, rebellion, heroism, anger, death, betrayal, friendship and saving the world. This collection of essays reveals the ways in which the Whedonverse treats the

trauma of ordinary life with similar gravitas as trauma created by the supernatural illustrating how memories are lost transformed utilized celebrated revered questioned feared and rebuffed within the storyworlds created by Joss Whedon and his collaborators Through a variety of approaches and examinations the essays in this book seek to understand how the themes of trauma memory and identity enrich one another in the Whedonverse and beyond As the authors present different arguments and focus on various texts the essays work to build a mosaic of the trauma found in beloved works like Buffy the Vampire Slayer Angel Dollhouse and more The book concludes with a meta analysis that explores the allegations of various traumas made against Joss Whedon himself

Vampires and the Making of the United States in the Twenty-First Century Simon Bacon, 2025-05-30 Vampires and the Making of the United States in the Twenty First Century offers a unique and multifaceted study of how vampires on screen have shaped America and how specific environments here have shaped their vampires Examining the figure of the vampire within the framework of uniquely American environments both physical and immaterial the book delves into the questions relating to American geography identity racial and ethnic tensions American colonial past and its urban and environmental history With contributions from a diverse and international team of authors the collection follows the vampire across the geographical and ideological landscape of the US to consider what cultural and historical environments have gone towards creating the contemporary undead and why the post Trump America of the twenty first century is a truly vampiric one This timely and truly innovative volume will resonate firmly with scholars and students of popular culture film and media studies horror American studies and urban and environmental studies

The American Villain Richard A. Hall, 2020-12-02 The American Villain Encyclopedia of Bad Guys in Comics Film and Television provides one go to reference for the study of the most popular and iconic villains in American popular culture Since the 1980s pop culture has focused on what makes a villain a villain The Joker Darth Vader and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy Additionally such bad guys as Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption in even the darkest of villains Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil The American Villain Encyclopedia of Bad Guys in Comics Film and Television seeks to collect all of those stories into one comprehensive volume The volume opens with essays about villains in popular culture followed by 100 A Z entries on the most notorious bad guys in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various villains A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad
