Building Solutions in Child Protective Services Insoo Kim Berg, Susan Kelly, 2000 Offers creative ways to build alliances with families using language and motivational interviewing to help parents focus on problem solving a valuable resource Virginia Child Protection Newsletter

Social Work Methods and Skills Karen Healy, 2011-12-05 This brilliantly systematic and comprehensive textbook provides an integrated approach to social work theory methods and skills as the bedrock of all social work practice Recognizing social work as a diverse activity that is rooted in common foundations it explains how practice both shapes and is shaped by professional purpose The text also explores the diverse range of social work practice methods available and aims to equip the reader with a foundation in the history and application of these varied approaches Offering a step by step discussion that will empower readers to critically develop and refine their professional toolkit for purposeful and innovative intervention this original rationale is an essential resource for any social work student or practitioner looking to build or consolidate their understanding of the range of methods and skills available for effective professional practice

Social Work Treatment Francis J. Turner, 2017-03-23 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention A treasure trove of practice knowledge the text equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps readers avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty

Beyond Technique in Solution-Focused Therapy Eve Lipchik, 2011-09-12 Solution focused therapy is often misunderstood to be no more than the techniques it is famous for pragmatic future oriented questions that encourage clients to reconceptualize their problems and build on their strengths Yet when applied in a one size fits all manner these techniques may produce disappointing results and leave clinicians wondering where they have gone wrong This volume adds a vital dimension to the SFT literature providing a rich theoretical framework to facilitate nonformulaic clinical decision making The focus is on how attention to emotional issues traditionally not emphasized in brief strengths based interventions can help unstick difficult situations and pave the way to successful solutions

Career Opportunities in Law and the Legal Industry Susan Echaore -McDavid, 2010-04-21 Provides comprehensive coverage of careers in the legal industry Career profiles include court administrator elder law attorney family court judge and more

American Book Publishing Record, 2000-07

Beyond Technique in Solution-focused Therapy Eve Lipchik, 2002-05-31 This book adds

a dimension to the solution focused therapy literature providing a framework to facilitate nonformulaic clinical decision making Focus is on how emotional issues can help pave the way to successful solutions Case material is also used showing not only what a clinician does at particular moments in therapy but why *Journal of Marital and Family Therapy*, 2010
