Building A Contagious Church:

Building a Contagious Church Mark Mittelberg, Bill Hybels, 2000 Mittelberg presents a proven process for raising the value of evangelism in your heart and in your church. He spells out strategies for training all of a church's members to naturally communicate their faith and offers ideas for initiating outreach ministries and events. Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches. *Becoming a Contagious Church* Mark Mittelberg, 2007 Mittelberg offers a vision for turning every church new or old into a contagious church that is a powerful magnet for attracting and influencing unchurched people. *Becoming a Contagious Christian Participant's Guide* Mark Mittelberg, Lee Strobel, 2007 Releasing the hidden evangelist in every Christian. Picture all of your church members as evangelists who demonstrate a contagious Christian character. Build spiritually strategic relationships. Direct conversations toward matters of faith. Communicate their faith in a style that's personal and natural. Explain biblical truths in a style that's personal and natural. Explain biblical truths in everyday language. Respond to the most common objections to Christianity. *Becoming a Contagious Christian* is a proven course designed to equip believers for effective evangelism in today's world. It avoids stereotyped approaches that feel intimidating to many Christians. Instead, it shows ordinary believers how they can share the gospel in a natural and powerful way while being the person God made them to be. Each session's exercises, discussions, self-assessments, and video vignettes give step-by-step guidance to help participants become effective communicators for Christ to those around them. Used with nearly 1,000,000 people, *Becoming a Contagious Christian* is an innovative and unparalleled program for training Christians in relational evangelism. *Becoming a Contagious Christian* works with any size group from small groups of 4-9 to Sunday school classes and other large groups of 10 to 150 or more. It can be presented successfully in any of the following formats: Three sessions of two hours each, Six sessions of 50 minutes each, One two or three day retreats. Or adapt it to fit the needs of your church. *Becoming a Contagious Christian* materials include 2 DVD Videos, Leader's Guide, Participant's Guide, PowerPoint, CD-ROM copy of *Becoming a Contagious Christian* book. These components are also available separately: 6 sessions flexible format, 2 180-minute DVD videos. ***Becoming a Contagious Christian*** Bill Hybels, Mark Mittelberg, 2008-09-09 Evangelism doesn't have to be frustrating or intimidating. Bill Hybels and Mark Mittelberg believe that effectively communicating our faith in Christ should be the most natural thing in the world. We just need encouragement and direction. In *Becoming a Contagious Christian*, Hybels and Mittelberg articulate the central principles that have helped the believers at Willow Creek Community Church become a church known around the world for its outstanding outreach to unchurched people. Based on the words of Jesus and flowing from the firsthand experiences of the authors, *Becoming a Contagious Christian* is a groundbreaking personalized approach to relational evangelism. You will discover your own natural evangelism style, how to develop a contagious Christian character to build spiritually strategic relationships to direct conversations toward matters of faith and to share biblical truths in everyday language. New Monasticism and the Transformation of American Evangelicalism Wes Markofski, 2015 For most of the last century popular and scholarly common sense has equated American evangelicalism with across the board social economic and political conservatism However if a growing chorus of evangelical leaders media pundits and religious scholars is to be believed the era of uncontested evangelical conservatism is on the brink of collapse if it hasn't collapsed already Combining vivid ethnographic storytelling and incisive theoretical analysis New Monasticism and the Transformation of American Evangelicalism introduces readers to the fascinating and unexplored terrain of neo monastic evangelicalism Often located in disadvantaged urban neighborhoods new monastic communities pursue religiously inspired visions of racial social and economic justice alongside personal spiritual transformation through diverse and creative expressions of radical community In this account Wes Markofski has immersed himself in the paradoxical world of evangelical neo monasticism focusing on the Urban Monastery an influential neo monastic community located in a gritty racially diverse neighborhood in a major Midwestern American city The resulting account of the way in which this movement reflects and is contributing to the transformation of American evangelicalism challenges entrenched stereotypes and calls attention to the dynamic diversity of religious and political points of view which vie for supremacy in the American evangelical subculture New Monasticism and the Transformation of American Evangelicalism is the first sociological analysis of new monastic evangelicalism and the first

major work to theorize the growing theological and political diversity within twenty first century American evangelicalism

Ministry Marketing Made Easy Yvon Prehn,2012-08-21 [Organic Outreach for Churches](#) Kevin G. Harney,2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church s life [Growing Your Faith by Giving It Away](#) R. York Moore,2005-07-06 Talking about Jesus isn t just good for the people who hear It s good for you too R York Moore describes his adventures sharing the gospel with all kinds of people Through his vivid stories you ll catch a glimpse of the dynamic work of the Holy Spirit to guide and empower you even when you feel uncomfortable or don t know what to say or do
