

The image shows the interior of a Japanese house. In the foreground, there is a dark wooden floor. To the right, a wooden cabinet with several open shelves stands against a light-colored wall. On the wall to the right, there is a framed piece of art. In the background, a tatami room is visible through an opening. The tatami room has a low wooden table and a sliding door (shoji) that looks out onto a garden. The ceiling features exposed wooden beams and a small light fixture.

Building The Japanese House Today:

Building the Japanese House Today Peggy Landers Rao, Len Brackett, 2005-10 Built like a piece of fine furniture the traditional Japanese house is universally admired for its clean lines intricate joinery and unparalleled woodworking Focusing primarily on a new guesthouse in California this elegant volume shows how a classic Japanese house can be built to offer the warmth and comfort that modern homemakers require Len Brackett rigorously trained as a temple carpenter in Kyoto has spent decades adapting the ancient Japanese design aesthetic to Western needs Here he demonstrates step by step how both the traditional live on the floor house as well as models that accommodate furniture can be constructed to provide such modern essentials as central heating insulation computerized lighting systems and the latest electronics This practical and inspiring guide with gorgeous clear photos and diagrams is an indispensable resource for those who d like to live in a Japanese home for professionals who want to build them and for any reader who delights in Japan s age old aesthetic traditions

Dwell, 2005-12 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines

Constructing Japan Beate Loeffler, 2005-09-25 The influence of Japanese art and culture on art in late 19th century Europe and America through collections of objects and knowledge transfer is already recognised However the research in this field often neglects architecture This study takes a new approach placing architecture at the centre Through in depth analysis of contemporary textual and visual sources Beate Loeffler shows how western actors from different backgrounds interpreted Japanese architecture as they experienced it either face to face or via texts and images It unveils a complex process of appropriation and rejection of claim to interpretive sovereignty and fascination with the foreign that led to both new knowledge and cultural clichés

The New Asian Home Kendra Langeteig, 2009-09 The New Asian Home by Kendra Langeteig profiles 23 fascinating and original American homes inspired by the ancient architectural traditions of Asia Designed by some of today s foremost architects and designers principles fundamental to the serene aesthetics of classic Asian design balance harmony connection with nature are reinterpreted for the Western home

Housing and Social Transition in Japan Yosuke Hirayama, Richard Ronald, 2006-11-24 Bringing together a number of perspectives on the Japanese housing system Housing and Social Transition in Japan provides a comprehensive challenging and theoretically developed account of the dynamic role of the housing system during a period of unprecedented social and economic change in one of the most enigmatic social political and economic systems of the modern world While Japan demonstrates many of the characteristics of some western housing and social systems including mass homeownership and consumption based lifestyles extensive economic growth and rapid urban modernization has been achieved in balance with traditional social values and the maintenance of the family system Helpfully divided into three

sections Housing and Social Transition in Japan explores the dynamics of the development of the housing system in post war Japan deals with social issues related to housing in terms of social aging family relations gender and inequality addresses the Japanese housing system and social change in relation to comparative and theoretical frameworks As well as providing challenges and insights for the academic community at large this book also provides a good introduction to the study of Japan and its housing economic social and welfare system generally **Contemporary Architects** Muriel Emanuel,2016-01-23
