Sacrifice, Violence, and Ideology Among the Moche Steve Bourget, 2016-05-03 In a special precinct dedicated to ritual sacrifice at Huaca de la Luna on the north coast of Peru about seventy five men were killed and dismembered their remains and body parts then carefully rearranged and left on the ground with numerous offerings The discovery of this large sacrificial site one of the most important sites of this type in the Americas raises fundamental questions Why was human sacrifice so central to Moche ideology and religion And why is sacrifice so intimately related to the notions of warfare and capture In this pioneering book Steve Bourget marshals all the currently available information from the archaeology and visual culture of Huaca de la Luna as he seeks to understand the centrality of human sacrifice in Moche ideology and more broadly the role s of violence in the development of social complexity He begins by providing a fully documented account of the archaeological contexts demonstrating how closely interrelated these contexts are to the rest of Moche material culture including its iconography the regalia of its elite and its monumental architecture Bourget then probes the possible meanings of ritual violence and human sacrifice and their intimate connections with concepts of divinity ancestry and foreignness He builds a convincing case that the iconography of ritual violence and the practice of human sacrifice at all the principal Moche ceremonial centers were the main devices used in the establishment and development of the Moche state El libro de Disney (The Disney Book, Centenary Edition) DK, 2024-07-31 Celebra con nosotros 100 años de Disney Recorre 100 años de mágicas historias personajes entrañables películas animadas y divertidos parques de atracciones Esta edición actualizada y ampliada de El libro de Disney incluye 50 nuevas páginas en las que se presentan las innovadoras creaciones que la compañía ha llevado a cabo en los últimos diez años Encanto Moana Red Coco Soul y muchas más Descubre cómo se hicieron las películas sumergite en la mente de sus creadores y analiza la evolución del maravilloso mundo de Disney Diseño elegante y texto divertido Impresionantes imágenes exclusivas de los Archivos de Walt Disney fotos pinturas bocetos ilustraciones y mucho más Información e imágenes detrás de escena que revelan cómo se hicieron las películas Una línea de tiempo de la historia de Disney desde 1923 hasta 2023 Con este libro de Disney conocerás en profundidad los fascinantes mundos de Disney Pixar Marvel Star Wars y 20th Century Studios desde las comiquitas y películas hasta las atracciones y el merchandising Disfruta de toda la información tras las cámaras tanto de los clásicos de tu infancia como de las últimas animaciones El regalo perfecto para cinéfilos y fans de Disney 2024 Disney Celebrate 100 years of magical Disney storytelling The ideal Disney gift book for movie buffs this updated and expanded edition includes more than 50 new pages for Disney's special 100th anniversary Now including ten more years of magic The Disney Book New Edition features groundbreaking and record breaking new creations such as Walt Disney Animation Studios Encanto and Moana and Pixar Animation Studios Turning Red Soul and Coco and explores new parks experiences memorabilia and much more The Disney Book New Edition further features Stylish and playful design with stunning visuals including stills concept art and story sketches showcasing exclusive access to archives
