American Sniper Blu Ray Release:

Focus On: 100 Most Popular Drama Films Based on Actual Events Wikipedia contributors, *Blockbusters and the Ancient World* Chris Davies, 2019-03-21 Following the release of Ridley Scott's *Gladiator* in 2000 the ancient world epic has experienced a revival in studio and audience interest Building on existing scholarship on the Cold War epics of the 1950s 60s including *Ben Hur* *Spartacus* and *The Robe* this original study explores the current cycle of ancient world epics in cinema within the social and political climate created by September 11th 2001 Examining films produced against the backdrop of the War on Terror and subsequent invasions of Iraq and Afghanistan this book assesses the relationship between mainstream cinema and American society through depictions of the ancient world conflict and faith Davies explores how these films evoke depictions of the Second World War the Vietnam War and the Western in portraying warfare in the ancient world as well as discussing the influence of genre hybridisation narration and reception theory He questions the extent to which ancient world epics utilise allegory analogy and allusion to parallel past and present in an industry often dictated by market forces Featuring analysis of *Alexander* *Troy* *300* *Centurion* *The Eagle* *The Passion of the Christ* and more this book offers new insight on the continued evolution of the ancient world epic in cinema

Gorgeous War Tim Blackmore, 2019-10-29 *Gorgeous War* argues that the Nazis used the swastika as part of a visually sophisticated propaganda program that was not only modernist but also the forerunner of contemporary brand identity When the United States military tried to answer Nazi displays of graphic power it failed In the end the best graphic response to the Nazis was produced by the Walt Disney Company Using numerous examples of US and Nazi military heraldry *Gorgeous War* compares the way the American and German militaries developed their graphic and textile design in the interwar period The book shows how social and cultural design movements like modernism altered and were altered by both militaries It also explores how nascent corporate culture and war production united to turn national brands like IBM Coca Cola and Disney into multinational corporations that had learned lessons on propaganda and branding that were being tested during the Second World War What is the legacy of apparently toxic signs like the swastika The answer may not be what we hoped Inheritors of the post Second World War world increasingly struggle to find an escape from an intensely branded environment to find a place in their lives that is free of advertising and propaganda This book suggests that we look again at how it is our culture makes that struggle into an appealing *Gorgeous War*

Focus On: 100 Most Popular Films Based on British Novels Wikipedia contributors, **e-Pedia: Captain America: Civil War** Contributors, Wikipedia, 2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents *Captain America: Civil War* is a 2016 American superhero film based on the Marvel Comics character Captain America produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures It is the sequel to 2011's *Captain America: The First Avenger* and 2014's *Captain America: The Winter Soldier* and the thirteenth film of the Marvel Cinematic Universe MCU The film is directed by Anthony and Joe Russo with a

screenplay by Christopher Markus Stephen McFeely and features an ensemble cast including Chris Evans Robert Downey Jr Scarlett Johansson Sebastian Stan Anthony Mackie Don Cheadle Jeremy Renner Chadwick Boseman Paul Bettany Elizabeth Olsen Paul Rudd Emily VanCamp Tom Holland Frank Grillo William Hurt and Daniel Br hl In Captain America Civil War disagreement over international oversight of the Avengers fractures them into opposing factions one led by Steve Rogers and the other by Tony Stark This book has been derived from Wikipedia it contains the entire text of the title Wikipedia article the entire text of all the 634 related linked Wikipedia articles to the title article This book does not contain illustrations

Hollywood's Imperial Wars Armando José Prats,2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood s Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like American Sniper that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts Mass Communication Ralph E.

Hanson,2016-10-20 Transform your students into smart savvy consumers of the media Mass Communication Living in a Media World Ralph E Hanson provides students with comprehensive yet concise coverage of all aspects of mass media along with insightful analysis robust pedagogy and fun conversational writing In every chapter of this bestselling text students will explore the latest developments and current events that are rapidly changing the media landscape This newly revised Sixth Edition is packed with contemporary examples engaging infographics and compelling stories about the ways mass media shape our lives From start to finish students will learn the media literacy principles and critical thinking skills they need to become savvy media consumers **Italian Crime Filmography, 1968-1980** Roberto Curti,2013-11-05 In 1970s Italy after

the decline of the Spaghetti Western crime films became the most popular profitable and controversial genre In a country plagued with violence political tensions and armed struggle these films managed to capture the anxiety and anger of the times in their tales of tough cops ruthless criminals and urban paranoia Recent years have seen renewed critical interest in the genre thanks in part to such illustrious fans as Quentin Tarantino This book examines all of the 220 crime films produced in Italy between 1968 and 1980 the period when the genre first appeared and grew to its peak Entries include a complete cast and crew list home video releases a plot summary and the author's own analysis Excerpts from a variety of sources are included academic texts contemporary reviews and interviews with filmmakers scriptwriters and actors There are many onset stills and film posters

The Perfect Vision, 2007 **A Year of Movies** Ivan Walters, 2015-11-12

While watching a movie how many viewers notice some of the finer details of the film such as the time of day during a scene or even the date itself For instance does anyone remember what day detention is served by the high schoolers in *The Breakfast Club* or can guess when aliens first make their presence known in *Independence Day* And perhaps only history buffs or fanatics of Leonardo DiCaprio can cite the exact date the Titanic sunk In *A Year of Movies* 365 Films to Watch on the Date They Happened Ivan Walters provides a selection for every day on the calendar in which at least some of the events in the film take place For some films the entire drama occurs on a very specific day For other films such as *The Right Stuff* the date in question is represented in a key scene or two or even for just a few pivotal seconds Certain films to be sure are obvious candidates for inclusion in this book What other movie would make sense to watch on February 2nd than *Groundhog Day* Is there a more appropriate film to consider for June 6th than *The Longest Day* Representing a variety of genres from comedies and dramas to westerns and film noir these films offer fans a unique viewing opportunity While helping viewers decide what to watch on a given day this book will also introduce readers to films they may not have otherwise considered Aimed at film buffs and casuals viewers alike *A Year of Movies* is also an ideal resource for librarians who want to offer creative programming for their patrons
