**American Sniper by Chris Kyle - A 20-minute Summary** Instaread Summaries, PLEASE NOTE This is a summary of the book and NOT the original book *American Sniper* by Chris Kyle A 20 minute Summary Inside this Instaread Summary Overview of the entire book Introduction to the important people in the book Summary and analysis of all the chapters in the book Key Takeaways of the book A Reader s Perspective Preview of this summary Chapter 1 Kyle grew up in central Texas He loved to hunt and ride horses and would have been a cowboy if he had not become a member of the Navy Sea Air Land Teams SEAL He had a lot of fun hunting with his mom dad and brother as a child His dad and brother were his best friends growing up Kyle learned true patience by learning to break a horse He got involved in rodeo competitions to quench his thirst for being a cowboy In 1992 he graduated and went to Tarleton State University with aspirations to join the military afterward An accident in his freshman year ended his rodeo career when he had to have pins put in his wrist He became a ranch hand for a man named David Landrum while he was still a student Landrum s strict expectations made Kyle want to prove himself Kyle believes this prepared him to become a Navy SEAL Kyle decided to quit school and join the military He learned about the SEALs and wanted to become one He investigated the opportunity further and learned that there was no guarantee he would become a SEAL if he joined the Navy He would need to earn the privilege Kyle went through the application process but the Navy disqualified him because of the pins in his wrist He felt his military career had ended before it began He went back to work for Landrum and hoped to become a rancher Shortly afterward a recruiter called and asked if he was still interested in becoming a SEAL

**Corporate Conspiracies**

Richard Belzer, David Wayne, 2017-05-09 From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America Here is an explosive account of wrongful acts perpetrated and the ensuing cover ups inflicted upon us by American corporations The bestselling author team of Richard Belzer and David Wayne exposes the ways that the capitalist regime has got us under their thumbs from the mainstream media and its control over us to the trillions stolen by big banks and mortgage companies during the mortgage crisis to the scams perpetrated by Big Oil and Big Pharma The one common victim of all that corruption is the American public and Corporate Conspiracies wants to do something about it Corporate Conspiracies takes dead aim at those who take advantage of us little guys Probably most disturbing is the book s examination of politics and capitalism teaming up against us how politicians and lobbyists all have their hands in each other s pockets while stabbing us in the back and how the well established energy lobby which is petroleum natural gas and coal has played a dominant role in the shaping of US foreign policy for decades Did you know that companies at times know that their products will kill people but they do nothing because it is actually cheaper to compensate the victims than it is to correct the problem And did you know that the Pentagon is sending 1.5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Films of Clint Eastwood

Matt Wanat, Leonard Engel, 2018-05-15

The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives

**Clint Eastwood**

Ian Nathan, 2023-09-21 Clint Eastwood is Hollywood s elder statesman and its conscience He is the standard by which other films and filmmakers are judged He represents both classical Hollywood and an entirely modern uncompromising and unfussy directorial presence There are those who adore him as a cowboy a superstar the rugged unyielding yet introspective face of American machismo There are those who read him as a great American auteur fashioning uncompromising fascinating

intellectual films about his country about life about whatever the hell takes his fancy No single figure in all of Hollywood operates so freely outside of the strictures of commercial pressure And yet or perhaps that is because he makes hit after hit Separation of actor and director is almost impossible They are intimately related cross pollinating but he has become in the latter half of his career to be view as one of the great American artists While drawing connections from his wider work as an actor and those who have influenced him it is his identity as a director that this book will celebrate This is not a career it is a landscape

*The Hero and the Victim* Gregory Brazeal,2024-10-08 How American fiction represents soldiers and soldier criminality in depictions of the Iraq War

*American Totems* Terence S. McNamara,2024-01-01 Entirely fictional this is a personal diary of a rundown recently divorced middle aged lawyer in pursuit of redemption and absolution The story is aimed at encapsulating American attitudes toward violence as a resolution of issues and American adulation of those who use violence to prevail It is his personal first person account of his attempt at a new life and the protagonist s unusual remedies for undoing the past that haunts him In the pulse pounding depths of Terence McNamara s newest crime thriller *American Totems* America s darkest secrets unravel in a spine tingling saga of obsession and redemption Follow the gripping tale of a washed up lawyer torn apart by divorce and disillusionment as he plunges into the murky abyss where morality meets madness As he seeks solace in the most extreme measures the line between hero and villain blurs leading to a thrilling showdown that will keep you on the edge of your seat until the very last page With McNamara s award winning trademark flair for suspense and a narrative that crackles with tension this is a literary rollercoaster ride through the labyrinth of the American psyche Gripping provocative and utterly addictive prepare to lose yourself in a world where the only certainty is the chilling cost of redemption in the land of the free

**America's Addiction to Terrorism** Henry A. Giroux,2016 In the United States today the term terrorism conjures up images of dangerous outside threats religious extremists and suicide bombers in particular Harder to see but all the more pervasive is the terrorism perpetuated by the United States itself whether through military force overseas or woven into the very fabric of society at home Henry Giroux in this passionate and incisive book turns the conventional wisdom on terrorism upside down demonstrating how fear and lawlessness have become organizing principles of life in the United States and violence an acceptable form of social mediation He addresses the most pressing issues of the moment from officially sanctioned torture to militarized police forces to austerity politics Giroux also examines the ongoing degradation of the education system and how young people in particular suffer its more nefarious outcomes Against this grim picture Giroux posits a politics of hope and a commitment to accurate and radical historical memory He draws on a long distinguished career developing the tenets of critical pedagogy to propose a cure for our addiction to terrorism a kind of public pedagogy that challenges the poisoned narratives of America s dis imagination machine

**Warner Bros.** Mark A. Vieira,2023-05-30 In this official centennial history of the greatest studio in Hollywood unforgettable stars untold stories and rare images from the Warner Bros vault bring a century of entertainment to vivid life

The history of Warner Bros is not just the tale of a legendary film studio and its stars but of classic Hollywood itself as well as a portrait of America in the last century. It's a family story of Polish Jewish immigrants the brothers Warner who took advantage of new opportunities in the burgeoning film industry at a time when four mavericks could invent ways of operating of warding off government regulation and of keeping audiences coming back for more during some of the nation's darkest days. Innovation was key to their early success. Four years after its founding the studio revolutionized moviemaking by introducing sound in *The Jazz Singer* 1927. Stars and stories gave Warner Bros its distinct identity as the studio where tough guys like Humphrey Bogart and strong women like Bette Davis kept people on the edge of their seats. Over the years these acclaimed actors and countless others made magic on WB's soundstages and were responsible for such diverse classics as *Casablanca*, *A Streetcar Named Desire*, *A Star Is Born*, *Bonnie Clyde*, *Malcolm X*, *Caddyshack*, *Purple Rain* and hundreds more. It's the studio that put noir in film with *The Maltese Falcon* and other classics of the genre where the iconic *Looney Tunes* were unleashed on animation and the studio that took an unpopular stance at the start of World War II by producing anti-Nazi films. Counter-culture hits like *A Clockwork Orange* and *The Exorcist* carried the studio through the 1970s and 80s. Franchise phenomena like *Harry Potter*, the DC universe and more continue to shape a cinematic vision and longevity that is unparalleled in the annals of film history. These stories and more are chronicled in this comprehensive and stunning volume.

Copyright 2023 Warner Bros Entertainment Inc      **The Hell of War Comes Home** Owen W. Gilman Jr., 2018-02-09

Owen W Gilman Jr stresses the US experience of war in the twenty first century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in Afghanistan and Iraq. Since the trauma of September 11 the experience of Americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction. These responses Gilman contends have packed a lot of power and measure up even to World War II's literature and film. Like few other books Gilman's volume studies these new texts among them Kevin Powers's debut novel *The Yellow Birds* and Phil Klay's short stories *Redeployment* along with the films *The Hurt Locker*, *American Sniper* and *Billy Lynn's Long Halftime Walk*. For perspective Gilman also looks at some touchstones from the Vietnam War. Compared to a few of the big Vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion. Gilman exposes the circumstances in American culture currently preventing literature and film of our recent wars from making a significant impact. He contends that Americans' inclination to demand distraction limits learning from these compelling responses to war in the past decade. According to Gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding.
