Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,2007 The Killing School Brandon Webb,John David Mann,2017-05-09 An insider s look at the grueling three month training program that produces the world s deadliest snipers As a SEAL sniper and combat veteran Brandon Webb was tapped to revamp the US Naval Special Warfare SEAL Scout Sniper School Incorporating the latest advances in technology and ballistics software he created an entirely new course that continues to test the skills and even the best warriors In this revealing new book Webb takes readers through every aspect of this training describing how Spec Ops snipers are taught each dimension of their art Trainees learn to utilize every edge possible to make their shot from studying crosswinds barometric pressure latitude and even the rotation of the Earth to becoming ballistic experts But marksmanship is only one aspect of the training Each SEAL s endurance stealth and mental and physical stamina are tested and pushed to the breaking point Webb also shows how this training plays out in combat using real life exploits of the world s top snipers including Jason

Delgado who led a Marine platoon in the Battle of Husaybah and made some of the most remarkable kill shots in the Iraq War Nicholas Irving the US Army Ranger credited with thirty three kills in a single three month tour in Afghanistan and Rob Furlong who during Operation Anaconda delivered the then longest kill shot in history During Webb s sniper school tenure the course graduated some of the deadliest and most skilled snipers of this generation including Marcus Luttrell Lone Survivor Adam Brown Fearless and Chris Kyle American Sniper From recon and stalk to complex last minute adjustments and finally the moment of taking the shot The Killing School demonstrates how today s sniper is trained to function as an entire military operation rolled into a single individual an army of one The New York Times Magazine ,2010 **The**

Presidents vs. the Press Harold Holzer,2021-08-24 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press including a new foreword chronicling the end of the Trump presidency The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation
