Garraty, Mark C. Carnes, 2005-05-12 *American National Biography* is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the

American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past The Reader of Gentlemen's Mail David Kahn,2008-10-01 One of the most colorful and controversial figures in American intelligence Herbert O Yardley 1889 1958 gave America its best form of information but his fame rests more on his indiscretions than on his achievements In this highly readable biography a premier historian of military intelligence tells Yardley s story and evaluates his impact on the American intelligence community Yardley established the nation s first codebreaking agency in 1917 and his solutions helped the United States win a major diplomatic victory at the 1921 disarmament conference But when his unit was closed in 1929 because gentlemen do not read each other s mail Yardley wrote a best selling memoir that introduced and disclosed codemaking and codebreaking to the public David Kahn de scribes the vicissitudes of Yardley s career including his work in China and Canada offers a capsule history of American intelligence up to World War I and gives a short course in classical codes and ciphers He debunks the accusations that the publication of Yardley s book caused Japan to change its codes and ciphers and that Yardley traitorously sold his solutions to Japan And he asserts that Yardley s disclosures not only did not hurt but actually helped American codebreaking during World War II Gus Hornsby's Gamble Larry LaTourette,2023-07-06 In the 1870s Gus Hornsby spread the game of American football around the world like an evangelist and helped establish it in the U S heartland Hornsby seemed destined for greatness as a journalist inventor explorer and entrepreneur His arrogance greed and an intractable gambling addiction however drove him to criminality and cast him into obscurity But this public ruin led to his greatest accomplishment in prison personal redemption Surprisingly Hornsby s meteoric rise and fall intersected with towering influencers of the time including the women and men who would pioneer the first wave feminist movement in the United States This book explores their unexpected connections and interweaves their stories along with details of the first American football game in the Midwest to reveal elements of a pivotal moment in American history both in feminism and sports More than a biography of a person it is a story about America brash imaginative and seemingly limitless in resources and creativity but overly self assured and wildly reckless **Perspectives on the History of Ancient Near Eastern Studies** Agnès Garcia-Ventura,Lorenzo Verderame,2020-10-20 The present volume collects eighteen essays exploring the history of ancient Near Eastern studies Combining diverse approaches synthetic and analytic diachronic and transnational this collection offers critical reflections on the who why and how of this cluster of fields How have political contexts determined the conduct of research How do academic agendas reflect larger social economic and cultural interests How have schools of thought and intellectual traditions configured and sometimes predetermined the study of the ancient Near East Contributions treating research during the Nazi and fascist periods examine the interpenetration of academic work with politics while contributions dealing with specific national contexts disclose fresh perspectives on individual scholars as well as the conditions and institutions in

which they worked Particular attention is given to scholarship in countries such as Turkey Portugal Iran China and Spain which have hitherto been marginal to historiographic accounts of ancient Near Eastern studies In addition to the editors the contributors are Selim Ferru Adali Silvia Alaura Isabel Almeida Petr Charv t Parsa Daneshmand Eva von Dassow Hakan Erol Sebastian Fink Jakob Flygare Pietro Giammellaro Carlos Gon alves Katrien de Graef Steven W Holloway Ahmed Fatima Kzzo Changyu Liu Patrick Maxime Michel Emanuel Pfoh Jitka S korov Lud k Vac n and Jordi Vidal Make Your Own History Joseph H.
