Recreating the American Republic Charles A. Kromkowski, 2002-09-16 Rules of apportionment are elements of social and political order In social gatherings families and governments they assume a variety of written and unwritten forms and in every order they determine not only how collective decisions are made but also how and why a particular constitutional order develops over time Recreating the American Republic provides a far reaching analysis of when how and why these rules change and with what consequences Recreating the American Republic reveals the import of these rules of apportionment by engaging the three most widely recognized and studied eras and events of American political history the Colonial era and the American Revolution the early national years and the 1787 Constitutional Convention and the nineteenth century and the American Civil War Recreating the American Republic systematically compares each seemingly familiar era and event revealing new insights and a new metanarrative of American political development between 1700 and 1870 *Adventism and the American Republic* Douglas Morgan, 2001 Adventism and the American Republic tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of Liberty magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies BOOK JACKET [Foreign Affairs Research Special Papers Available, American Republics](#) United States.
