Amicus Curiae Brian Clary:

Amicus Curiae Brian Clary, 2015-12-17 Michelle Mickey Grant is a rising star in a prestigious Texas law firm. Unfortunately, her career goals firm came with a heavy price: the demise of her marriage to Tyler Grant who now holds primary custody of their teenager Reagan. As the holidays approach, Mickey focuses on winning the next case without any idea that her world is about to shatter. Someone is abducting teenage girls from local mall parking lots and leaving few clues as to their whereabouts. After Reagan goes missing on Mickey's watch just days before Christmas, a suspect is arrested and convicted for the capital murder of one such abductee. Following the trial, the police all but close their files on the open cases of the other abductees. Mickey is haunted by lingering questions with only one potential source for the truth: death row inmate Willie Lee Flynn. Mickey tries and fails to gain his cooperation, leaving her to rely on her legal resources and the court system to exert pressure on him. As she does, Mickey is thrust into a series of treacherous events leading her down a dangerous path that she hopes finally points to the truth, no matter the threat to her career and her own safety. In this legal thriller, a determined attorney inserts herself in the most important case of her life in an attempt to learn what became of her daughter when she disappeared outside a Texas mall.

Unfinished Business Brian Clary, 2016-11-11 It is late autumn 1997 and seventy-four-year-old Benjamin Digby lives for two things in his golden years: his dear wife Emily and the game of golf. In that order, of course. Now, as a winter storm quickly approaches Montana, Ben sets out to squeeze in one last round. Despite the rapidly declining weather conditions, Ben manages to shoot exceptionally well. He exits the seventeenth green with seventy strokes marked on his score card. Although he is certain to record his best score ever, Ben is still not satisfied. A par on the eighteenth will result in him shooting his age, a rare feat in the game of golf. As the wind pelts him with ice and snow, Ben struggles to stand on the eighteenth tee, forcing a club attendant to risk his own safety to rescue him from the raging blizzard. After Ben is returned to the course clubhouse, he believes his one chance at the rare accomplishment has passed. But what Ben does not know is that he has already set into motion a chain of events with the power to upend his life and transform a community. **Unfinished Business** shares the entertaining tale of a senior golfer's quirky journey after he attempts to accomplish a rare feat in the midst of a Montana blizzard.

The deceased lawyer's greedy son has designs on the office and demands that the women spend their last two weeks on the firm's payroll, referring out all his mother's cases to other attorneys. When the women learn that their

deceased boss never took action on the matter Gertie decides to handle the case while impersonating her former boss After she enlists her two cohorts to help they embark on a journey filled with complications and consequences and where only time will tell if they will solve the case or if one or all of them will end up behind bars Home Cookin shares the entertaining tale of a seasoned legal secretary as she and her two co workers take on a complicated case after their boss falls from grace and dies at her desk *Amicus curiae* , *Who's who in American Law* ,1996 *Amicus Curiae* ,2012 **Supplemental Brief for the United States as Amicus Curiae in Support of Neither Party** ,2018 Brief Amicus Curiae of American Center for Law and Justice in Support of Neither Party , **Brief Amicus Curiae of State of California** ,
