Charles E. Hurst, David L. McConnell, 2010-04-05 Winner 2011 Dale Brown Book Award for Outstanding Scholarship in Anabaptist and Pietist Studies Young Center for Anabaptist and Pietist Studies at Elizabethtown College Holmes County Ohio is home to the largest and most diverse Amish community in the world Yet surprisingly it remains relatively unknown compared to its famous cousin in Lancaster Pennsylvania Charles E Hurst and David L McConnell conducted seven years of fieldwork including interviews with over 200 residents to understand the dynamism that drives social change and schism within the settlement where Amish enterprises and nonfarming employment have prospered The authors contend that the Holmes County Amish are experiencing an unprecedented and complex process of change as their increasing entanglement with the non Amish market causes them to rethink their religious convictions family practices educational choices occupational shifts and health care options The authors challenge the popular image of the Amish as a homogeneous static insulated society showing how the Amish balance tensions between individual needs and community values They find that self made millionaires work alongside struggling dairy farmers successful female entrepreneurs live next door to stay at home mothers and teenagers both embrace and reject the coming of age ritual rumspringa An Amish Paradox captures the complexity and creativity of the Holmes County Amish dispelling the image of the Amish as a vestige of a bygone era and showing how they reinterpret tradition as modernity encroaches on their distinct way of life **Dancing on the Devil's Playground** James A. Cates, 2024-07-30 This work demonstrates how the demands of the modern world challenge the Amish to respond and in turn how the Amish negotiate these demands
