Amnesty Report 2014 15 International

Robert Mandel

Amnesty Report 2014 15 International:

The Responsibility to Protect, Second Edition Sonja Grover, 2025-02-26 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book also addresses the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State's sovereign jurisdiction The adverse impact on global peace and security of the failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This second edition comes with an updated Introduction and a new Afterword making it an invaluable resource for scholars policymakers human rights advocates and students of law and international relations seeking to deepen their understanding of a principle that is vital to safeguarding human rights in our world today This book was originally published as a special issue of the International Journal of Human Rights

The Global Illusion of Citizen Protection Robert Mandel, 2018-07-11 This book comprehensively analyzes the global illusion of citizen protection so common today This text helps students understand a central puzzle in human security which has two distinct components 1 although it might be reasonable to assume that political leaders threat responses would almost always have a decent chance of safeguarding the mass public sometimes they do not exhibiting rhetoric reality gaps and purely symbolic gestures and 2 although the wealth of security information available to the mass public would seem to provide them with the opportunity to gain almost always an accurate picture of existing dangers and state threat responses sometimes citizens evaluation of their own safety is grossly distorted exhibiting an overly extreme sense of helplessness about ongoing threat and an overly extreme sense of skepticism about state protection At first glance it is difficult to comprehend fully why states would often select ineffective means of protecting their citizens assuming the availability of other options when it appears that there are incentives for them to choose effective ones particularly within societies with responsive forms of government and why citizens would often mischaracterize their own security predicament when they have a direct on the ground view of their plight and seem to have incentives to view their own safety accurately In exploring these puzzles through detailed international case study analysis this text investigation consciously deviates from some prevailing orthodox assumptions It call into question the desirability of the political centrality of state authority and of the prevailing economic and cultural norms in today's world opening up serious questions about when and how existing structures and values

contribute to increasing rather than decreasing human insecurity for the average world citizen **Boko Haram and International Law** John-Mark Iyi,Hennie Strydom,2018-06-27 This book focuses on Boko Haram and terrorism in Nigeria framing the conflict in an international law context It analyses the nature of political violence and the dominant roles of a violent nation state in both colonial and post colonial experiences and the rise of terrorism in Nigeria The book unearths embedded evidence of religious nepotism on the part of state officials using such state institutions as Islamic Preaching Boards to promote one Islamic sect over another in mainly Muslim Northern Nigeria The book offers insights into this subtle sectarian divide and how this and other subterranean elements have contributed to the rise of Boko Haram in Northern Nigeria beyond the dominant poverty terrorism nexus narrative Furthermore the book analyses the various components of Boko Haram s radical ideology situates them in Islamic Jurisprudence and examines the philosophy of the group both in doctrine and practice their interpretation of the Koran and the waging of Jihad and the extent to which they conform to the Islamic Sect Boko Haram claims to follow The book then examines the basic doctrinal features and characteristics of Boko Haram waging Jihad prohibiting revealing dresses for women and mixing of genders rejecting western values and institutions denouncing scientific inquiry and democracy hostage taking sexual exploitation of captives and other aspects of jus ad bellum and jus in bello in Islamic jurisprudence and international law Finally the book analyses the plight of vulnerable groups such as internally displaced persons the atrocities committed against women and girls in the Boko Haram insurgency and the inability of international law to enforce the protections offered to the victims From the perspective of critical intellectual inquiry the book also challenges a number of fundamental assumptions and encourages us to revisit our legal characterisation of certain concepts such as gender based crimes It then goes further to analyse some legal grey areas in the Boko Haram insurgency such as the legal status of the Civilian Joint Task Force CJTF and the legal framework for holding members accountable for violations of international human rights and humanitarian law Overall the book represents a valuable contribution to scholarship deepens our understanding and delineates how international law could respond to the Boko Haram insurgency in Nigeria in particular and terrorism in Africa in general **The Responsibility to Protect** SONJA GROVER,2018-03-08 This book presents the views of various international law and human rights experts on the contested meaning scope of application value and viability of R2P the principle of the Responsibility to Protect R2P refers to the notion that the international community has a legal responsibility to protect civilians against the potential or ongoing occurrence of the mass atrocity crimes of genocide large scale war crimes ethnic cleansing and crimes against humanity R2P allows for intervention where the individual State is unable or unwilling to so protect its people or is in fact a perpetrator The book addresses also the controversial issue of whether intervention by States implementing R2P with or without the endorsement of the United Nations Security Council constitutes a State act of aggression or instead is legally justified and not an infringement on the offending State s sovereign jurisdiction The adverse impact on global peace and security of the

failure to protect civilians from mass atrocity crimes has put in stark relief the need to address anew the principle of responsibility to protect and the feasibility and wisdom of its application and this book is a significant contribution to that effort This book was originally published as a special issue of the International Journal of Human Rights

Five Rising Democracies Ted Piccone, 2016-02-23 Shifting power balances in the world are shaking the foundations of the liberal international order and revealing new fault lines at the intersection of human rights and international security Will these new global trends help or hinder the world's long struggle for human rights and democracy The answer depends on the role of five rising democracies India Brazil South Africa Turkey and Indonesia as both examples and supporters of liberal ideas and practices Ted Piccone analyzes the transitions of these five democracies as their stars rise on the international stage While they offer important and mainly positive examples of the compatibility of political liberties economic growth and human development their foreign policies swing between interest based strategic autonomy and a principled concern for democratic progress and human rights In a multipolar world the fate of the liberal international order depends on how they reconcile these tendencies

Grievous Religious Persecution Werner Nicolaas Nel, 2020-12-29 Nel focuses on grievous religious persecution as one manifestation of crimes against humanity In spite of shocking reports in recent years about mass scale atrocities the issue of religious persecution so far has received comparatively limited attention in academic literature By meticulously putting together the various elements that jointly define religious persecution Nel's dissertation fills a frequently felt gap Moreover he reminds us that humanity cannot remain silent about manifestations of grievous religious persecution which after all are crimes against humanity as a whole International criminal law must be applied to overcome the gloating triumph of perpetrators over their victims From the foreword by Prof Dr Heiner Bielefeldt former U N Special Rapporteur on freedom of religion or belief

Troubling Muslim Youth Identities Máiréad Dunne, Naureen Durrani, Kathleen Fincham, Barbara Crossouard, 2017-09-06 This book explores the production of Muslim youth identities with respect to nation religion and gender in Pakistan Senegal Nigeria and Lebanon As Muslim majority post colonial states with significant youth populations these countries offer critical case studies for the exploration of the different grammars of youth identities and trouble the perceived homogeneity of Muslims in local and global imaginaries The authors offer rigorous and detailed accounts of the local situated and contingent ways in which youth articulate their identities and sense of belonging and the book reflects on the importance of affect belonging and affiliation in the construction of youth narratives of identity as well as highlighting their political and contested nature Troubling Muslim Youth Identities will be of interest to students and scholars in the fields of development studies social and cultural studies gender geography education and peace and conflict studies

Lawfare Orde F. Kittrie, 2016 In *Lawfare* author Orde Kittrie's draws on his experiences as a lawfare practitioner US State Department attorney and international law scholar in analyzing the theory and practice of the strategic leveraging of law as an increasingly powerful and effective weapon in the current global security landscape *Lawfare*

incorporates case studies of recent offensive and defensive lawfare by the United States Iran China and by both sides of the Israeli Palestinian conflict and includes dozens of examples of how lawfare has thus been waged and defended against Kittrie notes that since private attorneys can play important and decisive roles in their nations national security plans through their expertise in areas like financial law maritime insurance law cyber law and telecommunications law the full scope of lawfare s impact and possibilities are just starting to be understood

The Ideals of Global Sport Barbara J. Keys, 2019-02-15 Sport has the power to change the world South African president Nelson Mandela told the Sporting Club in Monte Carlo in 2000 Today we are inundated with similar claims from politicians diplomats intellectuals journalists athletes and fans about the many ways that international sports competitions make the world a better place Promoters of the Olympic Games and similar global sports events have spent more than a century telling us that these festivals offer a multitude of goods that they foster friendship and mutual understanding among peoples and nations promote peace combat racism and spread democracy In recent years boosters have suggested that sports mega events can advance environmental protection in a world threatened by climate change stimulate economic growth and reduce poverty in developing nations and promote human rights in repressive countries If the claims are to be believed sport is the most powerful and effective form of idealistic internationalism on the planet The Ideals of Global Sport investigates these grandiose claims peeling away the hype to reveal the reality that shockingly little evidence underpins these endlessly repeated assertions The essays written by scholars from many regions and disciplines and drawn from an exceptionally diverse array of sources show that these bold claims were sometimes cleverly leveraged by activist groups to pressure sports bodies into supporting moral causes But the essays methodically debunk sports organizations inflated proclamations about the record of their contributions to peace mutual understanding antiracism and democracy Exposing enduring shortcomings in the newer realm of human rights protection from the 1980 Moscow Olympic Games to Brazil s 2014 World Cup and the 2016 Rio Olympics The Ideals of Global Sport suggests that sport s idealistic pretensions can have distinctly non idealistic side effects distracting from the staggering financial costs of hosting the events serving corporate interests and aiding the spread of neoliberal globalization Contributors Jules Boykoff Susan Brownell Roland Burke Simon Creak Dmitry Dubrovsky Joon Seok Hong Barbara J Keys Renate Nagamine Jo o Roriz Robert Skinner

Thank you for reading **Amnesty Report 2014 15 International**. Maybe you have knowledge that, people have search hundreds times for their chosen readings like this Amnesty Report 2014 15 International, but end up in infectious downloads. Amnesty Report 2014 15 International Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Amnesty Report 2014 15 International free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Amnesty Report 2014 15 International free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Amnesty Report 2014 15 International free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Amnesty Report 2014 15 International. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Amnesty Report 2014 15 International any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Amnesty Report 2014 15 International Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Amnesty Report 2014 15 International is one of the best book in our library for free trial. We provide copy of Amnesty Report 2014 15 International in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Amnesty Report 2014 15 International. Where to download Amnesty Report 2014 15 International online for free? Are you looking for Amnesty Report 2014 15 International PDF? This is definitely going to save you time and cash in something you should think about.
