Her Wolves, Their Bear (BBW Paranormal Romance, Shifter Romance) Gabrielle R. Demonico, 2013-05-26 In her young life Jessi Wilder had always been surrounded by the same Same scenery Same friends Same thing every day And for the most part that was fine with her After all bear shifters were a peaceful bunch who only wanted to live and let live Yet something always gnawed

at the curvy young woman The truth was that deep inside she yearned for the different Different sights Different scents Different men But when different made its sudden appearance one day in the form of two mysterious and sexy strangers Jessi's world of sameness threatened to unravel Helpless to avoid their pursuit of her Jessi soon discovers that her desire for the different and wild things of the world has its consequences both good and bad For Jessi different will never be the same again An Excerpt from the Book She looked at him in silence To call this unfamiliar territory for her would be the understatement of a lifetime It was clear to Daryn that his confession had caught her off guard In an effort to erase any ambiguity from her mind he quickly said Jessi right now there is nothing more in this life that I desire more than you But I cannot take you unless you consent to Theo as well Therefore if you are unsure please tell me before it is too late Once we have bonded what is forged between us cannot be undone Your consent to me is your consent to him to us But this is not the way of my kind Never have I heard of such a thing among my people I'm just confused Jessi inside we are all of the same kind The only thing that separates us are varying degrees of teeth and fur and chance of birth Love has no species or arbitrary customs It is the only pure thing that we all share Love she whispered **Alpha Feud BBW Paranormal Shifter**

Black,2013-08-28 When curvy Hailey learns that her father's sold her to the leader of a werewolf pack she's really really angry It's 2013 and he can't just trade her like she's a piece of property But she isn't given a say in the matter and refusal is not an option She's collected by two horny werewolves and taken deep into the woods to meet her dominant but undeniably sexy new master The wolf pack wants to share his luscious new mate but the alpha wolf always gets the first taste WARNING This smoking hot 4 700 word erotic story contains very explicit sexual content including one curvy heroine an overwhelmingly sexy werewolf alpha and his pack of horny wolves and hard hot sex that will leave you trembling and begging for more Here's a taste Sawyer looked down at me his midnight blue eyes intense You belong to me now You understand that You're mine I opened my mouth to reply to tell him no I did not understand that not by a long shot but he continued before I could say anything You're mine and you'll do what I tell you to when I tell you to Remember that and we'll get along just fine My heart was pounding in my chest so loudly that I was sure Sawyer Ben Mick and the werewolves could all hear it And what would happen if we didn't get along just fine The thought scared the hell out of me I stared into the distance and I said nothing What was there to say He brought a hand to my face and I flinched at the unexpected contact Sawyer ran a strong rough finger along my cheek over my jaw and under my chin His touch was surprisingly gentle and he tilted my face up forced me to meet his gaze I'm not an easy man to please and I'm not gonna go easy on you He said and my eyes widened I felt my insides tighten at his words But I won't do anything I don't think you can handle You understand He asked and his

eyes blazed into mine He seemed genuinely sincere when he said that And when I looked into his intense blue eyes I realized that I believed him Some of my terror from before began to ebb and I gave Sawyer a small nod letting him know that I understood That I trusted him You gonna let us screw this one Mick asked breaking the intense moment that Sawyer and I had been sharing Sawyer tore his eyes from mine and looked around at the men and the wolves that were surrounding us Maybe Sawyer said and I gulped But I m gonna have to break her in first And before I knew what was happening Sawyer s impossibly strong arms were around me pulling me forward and holding me close to him There were hoots and howls as he lifted me off the ground and pressed me into his chest My legs went around his waist instinctively and his hands cupped my behind
