*Ross & Wilson Pathophysiology E-Book* Allison Grant, 2023-07-10 This latest offering from the highly regarded Ross Wilson stable provides a sound evidence based grounding in pathophysiology for anyone studying or working in the allied health professions. It covers normal physiology and the associated pathophysiological processes that lead to disease. The underlying science is clearly explained and linked to clinical situations relating the changes in normal physiological function directly to onset and progress of disease providing the exact level of detail you'll need in your professional practice. Ross Wilson's Pathophysiology is clearly written and easy to understand with beautiful illustrations and enhanced navigation to make learning this important subject a pleasure. Clear engaging and straightforward writing style suitable for nurses as well as paramedics, physiotherapists, midwives, radiographers and clinical physiologists. Comprehensive explanations of the underlying science linked to clinical scenarios so readers can relate learning to practice. Cross referencing to allow for easy navigation across different sections. Draws on the latest evidence and up to date research. Beautifully illustrated with clear well labelled figures, photographs and diagrams.

**Memmler's The Human Body in Health and Disease, Enhanced Edition** Barbara Janson Cohen, Kerry L. Hull, 2020-08-03 Memmler's The Human Body in Health and Disease Fourteenth Edition is a textbook for introductory level allied health and nursing students who need a basic understanding of anatomy and physiology, the interrelationships between structure and function and the effects of disease on body systems. The features and content specifically meet the needs of those who may be starting their health career preparation with little or no science background. The Fourteenth Edition has been revised and updated where needed to improve organization of the material and to reflect current scientific thought. Each new print copy of Memmler's The Human Body in Health Disease Enhanced 14th Edition includes Navigate 2 Premier Access. Includes The Body Visible: a series of illustrations of the major body systems described in the text with labeled transparent overlays. Retains an extensive art program with updated and new figures. A main Glossary defines all the chapter's key terms and an additional Glossary of Word Parts is a reference tool that teaches basic medical and anatomic terminology and helps students learn to recognize unfamiliar terms. Appendices include a variety of supplementary information that students will find useful as they work with the text including a new photographic Dissection Atlas, answers to the Chapter Checkpoint questions, Casepoint questions and Zooming In illustration questions that are found in every chapter. Every chapter contains pedagogy that has been designed with the health professions and nursing student in mind. 2019 694 pages.
