cooler for the many meals I had to consume while driving At all times I carried a clipboard and attached pen to record the noteworthy things that happened on my various trips Those clipboards filled quickly In later years it was a laptop and or tablet and cell phone gracing my passenger seat Since my nursing career began in the early seventies and motherhood as well and musician matters all my life plus the fishing and the snowmachine miles you can imagine I had ample grist for this Million Miles mill The book is filled with my life on the road a memoir
