absence of clutter Paul Stephens, 2020-03-24 An exploration of minimal writing texts generally shorter than a sentence as complex powerful literary and visual works In the 1960s and 70s minimal and conceptual artists stripped language down to its most basic components the word and the letter Barbara Kruger Jenny Holzer Carl Andre Lawrence Weiner and others built lucrative careers from text based art Meanwhile poets and writers created works of minimal writing visual texts generally shorter than a sentence One poem by Aram Saroyan reads in its entirety eyeeye In absence of clutter Paul Stephens offers the first comprehensive account of minimal writing arguing that it is equal in complexity and power to better known more commercial text based art Minimal writing Stephens writes can be beguilingly simple on the surface but can also offer iterative reading experiences on multiple levels from the fleeting to the ponderous absence of clutter for example the entire text of a poem by Robert Grenier is both expressive and self descriptive Stephens first sets out a theoretical framework for reading and viewing minimal writing and then offers close readings of works of minimal writing by Saroyan Grenier Norman Pritchard Natalie Czech and others He reverse engineers recent works by Jen Bervin Craig Dworkin and Christian Bök that draw on molecular biology and explores print on demand books by Holly Melgard code poetry by Nick Montfort Twitter based work by Allison Parrish and the use of Instagram by Hans Ulrich Obrist and Saroyan Text it seems is becoming ever more prevalent in visual art meanwhile poems are getting shorter When reading has become scanning a screen and writing tapping out a text absence of clutter invites us to reflect on how we read see and pay attention

Junk Drawer Jesus Matt Popovits, Jared C Wilson, 2024-10-15 Each of us is the owner of a seemingly random collection of theologies doctrines and superstitions a junk drawer of religious ideas and influences It's the witticisms your grandmother tossed around with ease that sounded like they came from a religious text It's an insight about God from a half heard sermon at a friend's church It's the mental screenshot of a meme shared on social media It's the empowering idea you underlined in a book and wrote on a

Post it Note now forever affixed to your laptop These are the things stuffed in our spiritual junk drawers And as with that stash of old clothes in the closet or that stew of phone chargers pens and half used batteries sitting in your kitchen drawer something in us says This might be useful And so we hold on But should we For many this junk drawer spirituality has become burdensome We are worn down by the religious experience it creates and frustrated by a collection of traditions truths and unfulfilled promises that continue to grow In Junk Drawer Jesus the spiritually exhausted are invited to examine our religious clutter and compare it to the person and the promises of Jesus Christ We ll discover what if anything of our spiritual collection should be kept In the process we rediscover the soul satisfying simplicity of a God who refuses to fill our lives with junk but instead offers grace upon grace

Language and Love William Mallard,1994-10-05 This is the first work to combine an introduction to Augustine s *Confessions* with a larger outline of his mature theology Mallard provides guidance for reading the narrative *Confessions* Books I IX and at the same time by certain extensions and comments reveals the three major topical divisions within Augustine s thought creation salvation and the City of God Mallard is able to do this because Augustine s affirmation of the good of Creation his view of the human will and God s grace and the nature of evil his sense of a religious people s identity and their hope and his view of faith and reason were all essentially in place at the time of the *Confessions* Mallard argues that Augustine was not in search of himself in a modern sense but in search of a language of prayer praise and truth that would locate him within God s grace That language turned out to be the language of Incarnation which remains compelling and inviting today As a classic work the *Confessions* is a monument to its own time but it has striking resonances for our own Mallard s interpretation will challenge readers to begin working out their own The *Confessions* endures because it is a story that illumines the stories of many even to the present day To analyze how it is like and unlike modern experiences is to exercise both mind and heart In that respect *Language and Love* is a kind of theological meditation on the *Confessions* testing out a horizon of belief Mallard views Augustine as a master of the spoken word in an age of broken and abused language and the *Confessions* as a historic masterpiece of rhetoric He contends that Augustine is the ancestor of many today who offer social and political hope through fresh rhetorical vitality

Early in His Presence Joyce A. Harris,2015-05-11 Early in His Presence is a devotional book designed to encourage Christians and non Christians to devote at least two hours and forty minutes a day for reading the Bible and prayer for spiritual growth and maturity The time mentioned was derived from the twenty four hours a day that God gives to each of us Its like the tithing principle 10 percent of all your income to be given to the Lord If God gives us twenty four hours a day giving Him 10 percent of our time is two hours and forty minutes a day Dont try to do it all at once but gradually grow into it a little at a time until you can do it Keep track of the time you spend with the Lord even if its only fifteen minutes Gradually keep adding on to it until you have accomplished your goal These devotionals should encourage you to desire a closer walk with the Lord and to develop a closer personal relationship with Him Before you begin your quiet time in His presence pray and ask God to open your heart and mind to receive what He has for you each day I am confident you will be inspired revived recharged and blessed as you spend time Early In His Presence

THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams,2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery

Doesn't the Bible support homophobia? Doesn't the Bible support the oppression and abuse of women? There are so many religions all sincerely seeking the same goal. What makes you Christians so arrogant that you think yours is the only way? What about those who have never heard the Gospel? If God is a God of love, why did he let my loved one die? How can it be just for God to impose an infinite punishment (Hell forever) for finite sins? These questions will be asked and answered with reasonable, rational, Scriptural answers.
