BEING GOOD: CHRISTIAN VIRTUES FOR EVERYDAY LIFE

MICHAEL W. AUSTIN

In some segments of the church it is now routinely suggested that Christianity is not about ethics; rather, it is about a relationship with Christ. While we applaud any resistance to reducing Christianity to an ethical system, we are concerned that Christian antipathy toward ethical theory is itself unchristian. Christianity is not *merely* about ethics, but it does *essentially include* ethics. The Christian, as a follower of Jesus, should seek to embody the moral and intellectual virtues of Jesus Christ, our Lord. This book seeks to assist in this task as, together, we follow Jesus Christ. He is our moral and intellectual exemplar.

There is, sometimes latent and sometimes explicit, resistance to ethics within the spiritual formation movement as well. We affirm the emergence and flourishing of the movement, and we are strong advocates of practicing the spiritual disciplines for the sake of connection to and growth in Christ. But it seems to us that at least some approach these disciplines merely as avenues for having some sort of subjective, or even mystical, experience of God. While all believers should have such a thirst for him, and part of the function of the disciplines is to enter into fellowship with God, we believe there is great potential for *moral* formation that is at present untapped. And we believe that the Scriptures strongly emphasize this aspect of following Christ. The vital linkage between our experiential knowledge of Christ and growth in moral formation understood as the inculcation of character traits, or virtues.

This is a New Testament emphasis. Jesus himself stressed the need for obedience as a condition for knowing God deeply, for obedience leads to personal transformation in character (see, for example, John 7:16–18). On this point we should reflect also on 2 Peter 1:3–11, which is worth quoting in full:
