Bekämpfung Ansteckenden Geschlechtskrankheiten Deutschen German:

Die Bekämpfung der ansteckenden Geschlechtskrankheiten im Deutschen Reich Christian Ströhmberg, 1903 Sexual Treason in Germany during the First World War Lisa M. Todd, 2017-04-29 This book is the first comprehensive study of sexual lives in Germany and occupied Europe during the First World War Reconsidering sex in war brings to life a whole cast of characters too often left out of the historical narrative widowed women who worked as prostitutes fresh faced recruits who experienced the war in a VD hospital eugenicists who conflated sex and national decline soldiers wives ostracized by neighbourhood rumour mills By considering the confluence of public discourse state policy and everyday life Lisa M Todd adds to the growing body of knowledge on war and society in the twentieth century By incorporating the 1914 1918 experience into the longer frame of the pre war sex reform movement and the post war Allied occupation of the Rhineland this book is able to more fully evaluate the impact of the war years on the history of intimate relations in early twentieth century Germany **Reichs-Gesundheitsblatt** Germany. Reichsgesundheitsamt, 1926 Contagion and the State in Europe, 1830-1930 Peter Baldwin, 1999-08-19 This book is a groundbreaking study of the historical reasons for the divergence in public health policies adopted in Britain France Germany and Sweden and the spectrum of responses to the threat of contagious diseases such as cholera smallpox and syphilis In particular the book examines the link between politics and prevention Did the varying political regimes influence the styles of precaution adopted Or was it as Peter Baldwin argues a matter of more basic differences between nations above all their geographic placement in the epidemiological trajectory of contagion that helped shape their responses and their basic assumptions about the respective claims of the sick and of society and fundamental political decisions for and against different styles of statutory intervention Thus the book seeks to use medical history to illuminate broader questions of the development of statutory intervention and the comparative and divergent evolution of the modern state in Europe **Deutsche Vierteljahrsschrift fuer oeffentliche Gesundheitspflege**, 1890 **Die Geschlechtskrankheiten und ihre Bekämpfung** Albert Neißer, 1916 Das vorliegende Buch ist einerseits das Ergebnis einer jahrelangen Arbeit Literaturstudien und Materialsammlung die ich zu meiner eigenen Belehrung vornahm und nun als zusammenfassende Übersicht der großen Schar von Fachmännern und Laien die sich mit diesem Stoff teils freiwillig aus sozial humanitären Gründen teils von Amts wegen beschäftigen übergebe Andererseits ist es aber auch ein Augenblickserzeugnis den Forderungen des Tages entsprungen Die Bedeutung welche die Geschlechtskrankheiten in diesen letzten Kriegsjahren als schädigender Faktor für die Volkskraft angenommen haben und die daraus für uns erwachsende Pflicht noch intensiver als sonst alles zu erforschen und womöglich in die Tat umzusetzen was irgendwie zur Verminderung und zur Bekämpfung dieser Volksseuchen beitragen konnte all das machte den Wunsch rege alle Forderungen und Wünsche die sich auf diesem Gebiete geltend gemacht haben und zur Sprache gekommen sind zusammenfassend darzustellen und zu einem gemeinschaftlichen Programm zu vereinigen Ganz besonders muß ich an dieser

Stelle dankbar des Mannes ge denken dem ich schließlich den letzten Anstoß zur Fertigstellung dieses seit Jahren von mir geplanten Unternehmens verdanke unseres verehrten Herrn Ministerialdirektors Prof Dr Martin Kirchner **Zeitschrift für bekämpfung der geschlechtskrankheiten** ,1904 *Deutsche Vierteljahrsschrift für öffentliche Gesundheitspflege ...* ,1909 Neu erschienene berufliche Gesundheitspflege in v 8 47 **Index Medicus. Second Series** ,1903 **Die Prostitution** Stephan Leonhard,1912
