Vern Yip's Design Wise Vern Yip, 2016-09-13 Have you ever wondered exactly how high to hang

your artwork How about the light fixture over your dining table Do you know how to ideally size a rug for any room or the best way to arrange your furniture Trusted designer Vern Yip answers these questions and more by revealing the right formulas and measurements that can make any room feel just right And once you know these key design principles you're free to confidently create a home that uniquely celebrates your needs and style Vern shares his favorite insider tips and opens his doors to show how he's made them work in his own beloved homes Vern Yip's *Design Wise* provides both the inspiration and the clear essential guidelines you need to create a home that perfectly reflects you *Fashioning Horror* Julia Petrov, Gudrun D. Whitehead, 2017-12-14 From Jack the Ripper to Frankenstein Halloween customs to Alexander McQueen collections *Fashioning Horror* examines how terror is fashioned visually symbolically and materially through fashion and costume in literature film and real life With a series of case studies that range from sensationalist cinema and Slasher films to true crime and nineteenth century literature the volume investigates the central importance of clothing to the horror genre and broadens our understanding of both material and popular culture Arguing that dress is fundamental to our understanding of character and setting within horror the chapters also reveal how the grotesque and horrific is at the center of fashion itself with its potential for instability disguise and carnivalesque subversion Packed with original research and bringing together a range of international scholars the book is the first to thoroughly examine the aesthetics of terror and the role of fashion in the construction of horror **Borderless Fashion Practice** Vanessa Gerrie, 2023-06-16 Twenty first century fashion practice has become increasingly borderless and diverse in the digital era calling into question the very boundaries that define fashion in the Western cultural context *Borderless Fashion Practice* Contemporary Fashion in the Metamodern Age principally engages the work of four fashion designers Virgil Abloh Aitor Throup Iris Van Herpen and Eckhaus Latta whose work intersects with other creative disciplines such as art technology science architecture and graphic design They do their work in what Vanessa Gerrie calls the metamodern age the time and place where the polarization between the modern and the postmodern collapses Used as a framework to understand the current Western cultural zeitgeist Gerrie's exploration of the work of contemporary practitioners and theorists finds blurred borders and seeks to blur them further to the point of erasure *Spacewear* Barbara Brownie, 2019-01-10 Today we are living in the New Space Age where mass commercial space travel is almost within our grasp This otherworldly possibility has opened up new cultural images of space both real and fictional and has caused fashion design and spacesuit engineering to intersect in new exciting ways *Spacewear* traverses this uncharted territory by exploring the changing imagination of space in fashion and fashion in space from the first Space Age to the 21st century Exploring how space travel has stylistically and technologically framed fashion design on earth and how we need to revisit established design practices for the weightless environment *Spacewear* connects the catwalk and the space station This book draws together speculative fantasies in sci fi films such as *Star Trek* and *2001 A Space Odyssey* with the engineered spacesuits Biosuit and the NASA Z 2 and with catwalk interpretations by the likes of

Alexander McQueen Hussein Chalayan Andr Courr ges and Iris van Herpen While the development of commercial space agencies has led to new concerns for style in garments for outer space that re think fundamental design principles such as drape high fashion has experimented with new possibilities for weightlessness that extend far beyond the 1960s vision of Space Age metallic fabrics and helmet style headwear Brownie takes the reader on a fascinating journey from fantasy to function and to form deepening our understanding of this new category of fashion that is prompting new approaches to garment design and construction both on earth and in outer space Resisting James Bond Christoph Lindner, Lisa Funnell, 2023-06-15 Beginning with Casino Royale 2006 and ending with No Time to Die 2021 the Daniel Craig era of James Bond films coincides with the rise of various justice movements challenging deeply entrenched systems of inequality and oppression ranging from sexism racism and immigration to 2SLGBTQIA rights reproductive justice and climate change While focus is often placed on individual actions and institutional policies and practices it is important to recognize the role that culture plays within these systems Mainstream film is not simply mindless entertainment but a key part of a global cultural industry that naturalizes and normalizes power structures Engaging with these issues Resisting James Bond is a multidisciplinary collection that explores inequality and oppression in the world of 007 through a range of critical and theoretical approaches The chapters explore the embodiment and disembodiment of power and privilege across the formal narrative cultural and geopolitical elements that define the revisionist reversionist world of Daniel Craig s Bond Race, Politics, and Irish America Mary M.
