## **Alexander The Great King Commander And Statesman:**

**Alexander the Great** N.G.L. Hammond,1989 This revised biography includes new material and extensive reference to literary sources Professor Hammond s other works include The History of Macedonia and Studies in Greek History He also collaborated on The Oxford Classical Dictionary and The Cambridge Ancient History **Alexander the Great, King, Commander and Statesman** Nicholas Geoffrey Lemprière Hammond,1980 Within the span of thirteen years Alexander the Great changed the face of the world more decisively and with more long lasting effects than any other statesman has ever done It is therefore no surprise that there has been and still is so much debate about both his personality and his achievement The great merit of this biography is that with impressive mastery of the evidence he sets the record straight between the extremes of romantic hero worship on the one hand and scholarly demolition on the other Based on his detailed knowledge of the literarysources and on his own experience of warfare in Alexander s native country Professor Hammond presents a compelling picture of Alexander in his public life as king commander and statesman This revised biography includes new material and extensive reference to literary sources Bloomsbury Publishing **Alexander the Great** N. G. L. Hammond,1980 Alexander the Great Nicholas Geoffrey Lempriere Hammond,1981 **Alexander the Great: King, Commander and Statesman** N. G. L. HAMMOND,1959 *Alexander the Great* Nicholas Geoffrey Lemprière Hammond,1980 *The Marshals of Alexander's Empire* Waldemar Heckel,2005-10-26 This book presents for the first time in English a detailed study of the closest friends and most trusted commanders of Alexander the Great their career progress their rivalry with one another and their influence on Alexander The Marshals of Alexander s Empire is a blend of biography and prosopography that sheds light on some of the most dynamic individuals of the age of Alexander *The Genius of Alexander the Great* Nicholas Geoffrey Lemprière Hammond,1997 A brilliant account of the life of Alexander designed for the general reader Supplanting Empires Kendall Stiles,2024-12-15 What happens when one empire or hegemon cedes the global stage to a rising power Supplanting Empires Power Transitions Across Human History argues that historically such power transitions tend to be relatively smooth resulting in the preservation of the status quo with respect to the global order and institutions This stems from the tendency of rising powers to be closely associated with declining powers to the point that they generally support and perpetuate the old ways of governing They maintain similar governing institutions retain ties to the former empire s allies and generally endorse the declining empire s ideology and norms The violence involved in such transitions tends to be limited and societies and economies are typically left undisturbed To test this proposition Kendall Stiles and his students undertake a systematic study of numerous power transitions across millennia of human history The implications of these findings have considerable relevance with respect to the contemporary power struggle between the United States and China *Middle East Conflicts from Ancient Egypt to the 21st Century* Spencer C. Tucker,2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly

reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars
