The American School Readers Kate Forrest Oswald, 2017-05-17 Excerpt from The American School Readers Primer This is a great step and it is enough to accomplish through the agency of the child's first school book Any attempt to enlarge the scope of the primer is likely to divert the attention from the main issue and to interfere With Its successful pursuit About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The American School Readers Kate Forrest Oswald, 2017-05-19 Excerpt from The American School Readers First Reader The American school first reader is planned as the children's second reading book It assumes that they can read the usual vocabulary of a good primer either of this series or of any other It is however closely related to the American School Primer The children and their pets whose acquaintance was made in that book appear again here with new experiences in the earlier pages But the keynote of the book is children's lore The characters of the primer appear less and less frequently and finally drop out altogether The latter part of the book contains children's literature only The authors believe that this literature is of so excellent a quality that it will intensify the interest of children in the reading book and hence in learning to read and will also implant the seeds of good literary taste Carefully organized lists of words for phonic drill are given on pages 135 137 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
