The Potter and His Clay Alan J. Burns, 2008-05 The Potter and His Clay How To Know God's Present Purpose For Your Life Now Starting Well and Finishing Strong The Christian Grace Race Written from a heart to help all believers discover and know the perfect will of God for their lives Some who have discovered His will have been sidetracked and detoured from it In a marathon it is not how you start the race but how you finish This book is a study of the process in making clay pottery in ancient times and how in allegorical language it relates to the spiritual journey of our Christian life today The ultimate goal of this book is to give scriptural guidelines on how to help you finish the Grace Race and complete God's destiny for your life Your message is so timely and powerful Wow I pray that your book will make it into the hands and hearts of everyone who so desperately needs to read it I agree with you that we are living in somewhat of a paradoxical time Sometimes it seems as though everyone has given up on revival and living for Jesus Yet we also live in a time where so many hunger for more Your book sounds an alarm while simultaneously raising a banner of hope for those who think true Christianity has done nothing but disintegrate Michael and Kathy from Plano TX Alan Burns is founder and director of Rivers of Life Outreach Ministries He is involved in conducting training and equipping conferences internationally Alan is the author of two other books on Evangelism and another on Spiritual Gifts Alan lives in Plano TX with his wife Alisa and their four children He graduated from Christ for The Nations Institute in 1980 and is an Evangelist Teacher and Worship Leader

The Criminalization of Christianity Janet Folger, 2009-02-19 There is a war going on for the future of our country Most people know that What they may not know is that if Christians lose the result won't merely be enduring public policy we disagree with it will be a prison sentence for those who oppose it We've all seen the attack coming First the Supreme Court said kids can't pray in school Then the Ten Commandments were ripped from the classrooms Now pastors are being removed from their pulpits and put in jail for speaking out against homosexuality Sweden And things are only getting worse How in the world did we get to this place And why is it that Christians are singled out in this assault on morality Serving as a wake up call for America this book will expose the truth that Christianity is being criminalized and that we must stand up against it now People in New York are fired from their jobs Kids in California are suspended from school Pastors in Sweden are sentenced to prison Their crime involves nothing more than exercising their religious freedoms At first the attacks against Christianity were subtle The Supreme Court ruled that children can't pray in school The Ten Commandments were removed from our classrooms and later our courtrooms Now pastors are being imprisoned for speaking out against homosexuality from their own pulpits How in the world did we get to this place in a free and civilized society And how far will it go While headlines reveal a gradual undermining of moral values in our society the truth between those lines silently screams that our

very freedom is at stake Now this provocative book exposes the attack on values for what it is a pointed war being waged against Christians and the faith they profess A frequent guest on such programs as 20/20 Hannity and Colmes Hardball and Inside Politics conservative advocate Janet Folger uncovers the hidden anti Christian agendas that are driving public policy key court decisions public school regulations political correctness in the media and modern day censorship The question is how will you respond At a time when upholding traditional values has somehow become synonymous with intolerance will you rise up and defend your religious freedoms before it's too late **America by Design** Dennis Pumford,2017-07-21
