In Search of Grace Kristin Hahn, 2023-11-21 A Generation X woman with no religious upbringing chronicles her three year journey studying America's religious landscape After years as a Hollywood writer and filmmaker Kristin Hahn felt a crisis of faith she had no spiritual group she could call her own Setting out on a three year journey she began an investigation of America's religious traditions practices and beliefs Crisscrossing the nation Hahn spent a week cloistered in prayer with convent nuns and a month of Ramadan fasting with Muslims She went door to door with young Mormon missionaries and head to head with turbaned Sikh yogis She sat through marathon meditations with Buddhist masters and spent days in conversation and ceremony with an Ojibwe medicine man Her explorations exposed her to the rich ancient culture of the Jews and brought her into the enclaves of Christian Scientists and Amish farmers as well as the less traditional realms of Scientology neopagan witchcraft and the congregations of new age gurus And this was only the beginning Openhearted humorous and always thoughtful In Search of Grace offers nourishment for our spiritual hunger and a myriad of ways to find a religious home Praise for In Search of Grace This absolutely fascinating account of one woman's search for spiritual fulfillment also serves as an enlightening overview of the positive power of religious diversity Booklist Hahn's writing is astonishingly vivid and she describes her encounters with a cocktail of good humor respect curiosity admiration and the occasional wry but gentle criticism It is especially remarkable that she can review the basic elements of religions and somehow make it all seem fresh and fascinating Publishers Weekly
