Atlantis Rising The Struggle Of Darkness And Light Sirian Revelations:

Atlantis Rising Patricia Cori, 2010-05-18 The second book in the Sirian Revelations Trilogy explores the wisdom ancient Atlantis can offer contemporary seekers The lost continent of Atlantis has existed in the collective consciousness of humankind for eons contemplated as early as 355 BC by Plato and echoing in the modern mind In this controversial book author Patricia Cori provides compelling often startling insights into this lost culture and the lessons it holds for us as both a high civilization and a metaphor for our current world situation earth changes growing extraterrestrial phenomena and government conspiracy theories Only by embracing and recognizing what Atlantis can teach us says Cori can we expect to heal and uplift our own increasingly threatened civilization ATLANTIS RISING Patricia Cori (J.), 2022 **The New Sirian Revelations** Patricia Cori, 2023-12-05 Teachings from the Sirian High Council to help humanity as we merge into the 4th dimension Shares empowering insights and revelations from six dimensional Sirian Light Emissaries to help us understand the darkness and focus on light for all humanity and the earth Explains what we are undergoing right now around the globe including the rush to merge the human mind with artificial intelligence ET disclosure and the dark forces that are losing their grip on our planet and humanity Offers Sirian guidance for surviving our imminent collective ascension and awakening en masse to new levels of conscious awareness In 1996 while visiting the Julia Set crop circle in England Patricia Cori experienced a galactic out of body journey a transformational awakening that attuned her to a group of interdimensional light beings known to her as the Sirian High Council Serving as their scribe now for more than 25 years she shares the insights and teachings of these sixdimensional Sirian Light Emissaries to help humanity as we merge into the fourth dimension and face our collective karma the source of so much of the dramatic events now unfolding around the world Sharing new revelations that affirm the veracity of past prophecies as well as transmitting new visions for the human race Cori s messages from higher realms empower readers to peer fearlessly into the darkness to understand it and to focus on the light for all humankind and the Earth She explains how the Sirians hold us to our responsibility as guardians of this planet with sound direction and advice on how to survive our imminent collective ascension and global awakening to new levels of conscious awareness The Sirians discussions explain what we are undergoing right now and delve into many of the most crucial issues of our time including the rush to merge the human mind with artificial intelligence ET disclosure cloning the slipping of time and the dark forces that are losing their grip on our planet and humanity As the struggle between darkness and light is being fought at every level Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into illuminated states of consciousness and toward the light of planetary renewal **The Starseed Dialogues** Patricia Cori, 2010-05-18 The Starseed Dialogues is a clear and concise compilation of questions Patricia Cori has received from readers which she then turned over to the Speakers of the Sirian High Council for answers Cori is among many who predict

that life on Earth will change dramatically after December 2012 as we ascend into a fourth dimension beyond spacetime What will happen to us as we approach the point of ascension Does ascending in the light body hurt This book answers these questions and many others about the direct link between our evolving DNA the inner world of Agharta the current earth changes and our shift in consciousness and the significance of visiting sacred sites such as Stonehenge to receive celestial messages As always the Speakers message rings clear do not fear what lies ahead for we are about to experience a glorious transformation of consciousness and although the prophets speak of doom and destruction the darkest hours are already upon us What awaits us is a brilliant new age of truth light and beauty **Where Pharaohs Dwell** Patricia Cori,2011-08-30

In this thought provoking book Patricia Cori takes time from her channeled work as the Scribe to the Speakers of the Sirian High Council to focus on her past life experiences in ancient Egypt The book begins dramatically with the traumatic recall of a past Egyptian life when Cori relives a horrifying death by suffocation from being buried alive This experience propels her on a journey of exploration into the question of human immortality leading her back to Egypt where she unravels the origins of the ancient Egyptians obsession with the resurrection of the soul Cori s discoveries reveal new perspectives on Egyptian mysteries new timelines as to the beginnings of the civilization and controversial ideas that link the earliest Egyptian cultures with even earlier civilizations such as that of Atlantis As she returns to sites of her former lives Cori begins to receive messages through which she relives the past life regression guiding her to discover secrets of the ancient Egyptians Finally she travels beyond the veil of illusions into the otherworld of possibilities that lies beyond physical existence This exciting book weaves strands of science history and metaphysics into a shimmering tapestry of personal discovery *Beyond the Matrix* Patricia Cori,2010-08-31

Those concerned with the current eco crisis most often look only to scientists and politicians for solutions In this important book Patricia Cori invites another overlooked group perhaps the most important one to join the discussion *Beyond the Matrix* collects some of the most provocative forward thinking interviews conducted on Cori s radio show of the same name bringing together leaders in various fields of alternative thinking to propose new and exciting perspectives on the future of humanity as we approach the potentially life changing 2012 *Beyond the Matrix* offers a portrait of a refreshingly optimistic future in a time when we are bombarded with an apocalypse scenario as the future of our civilization The book features no holds barred in depth interviews with such renowned thinkers as New York Times best selling author and theoretical physicist Michio Kaku whom many call the Einstein of our times respected UFO and ET investigator Stanton Friedman radical Egyptologist Stephen Mehler former astronaut and the sixth man on the moon Dr Edgar Mitchell crop circle expert Andy Thomas intuitive physicist MaAnna Stephensen Paradigm Research Group director Stephen Bassett founder of bluevoice org Hardy Jones and nine others The probing conversations cover a bracing range of subjects from string theory UFO and extraterrestrial life crop circles and ecology to healing Egyptian mysticism ascension and other significant topics that swirl in our minds as we face a new paradigm for human exploration where spirit and

science finally merge With its blend of fascinating dialogue and higher ideals *Beyond the Matrix* offers both hope and reassurance in these challenging times *Before We Leave You* Patricia Cori,2011-04-26 What if whales and dolphins truly do have a superior intellect as many believe and can speak to the human race What would their message be In November 2008 gifted clairvoyant Patricia Cori was in Jordan teaching a workshop when a life changing event occurred A community of Cetaceans a choir of whales and dolphins as she describes it interrupted her talk with a frantic plea for help Cori was suddenly witness to a devastating scene of suffering a communal grieving of scores of whales and dolphins frenzied lost and dying This was the first of several terrifying calls for help all of which were immediately followed by mass suicide events as these majestic creatures collectively chose to leave us and our planet These troubling incidents evolved into the stream of messages for humanity that Cori reveals in this extremely timely work The whales and dolphins present their deep understanding of our urgent global situation calling for the human race to restore balance to our ecosystems especially our dying oceans For the first time we read the communications of the Cetaceans and their story of devotion and celebration of life on the Great Planet Earth We are also given a glimpse of their role in the unfolding of galactic events throughout our solar system and the message is clear We must wake up and realize that our continued abuse of the environment is altering the course of Gaia s progression to the next dimension Without the whale and dolphin song without these musicians who hold the oceans in balance we risk our advancement through the ascension process for which our entire solar system is destined *Before We Leave You* is a roadmap to that higher future and a pathway to global transformation NOTE ELECTRONIC VERSION OF THIS TITLE DOES NOT INCLUDE THE CETACEAN MEDITATIONS CARDS INCLUDED IN THE REGULAR PRINTED VERSION *The Great Shift* Lee Carroll,Martine Vallee,2011-05-14 The Great Shift is a progress report from the field and the messages are positive You don t have to logically do anything but show up with spiritual intent and the DNA quantum field is activated in your body Kryon says He tells us to expect changes and peace we may have never thought to see in our lifetimes even in the Middle East He *Breaking Free from the Tyranny of Beliefs* Lark Aleta Batey,2012-03-30 At the foundational level of westernized cultures is a Core Belief Matrix This matrix consists of seven imbedded beliefs that bind us to a three dimensional world of limitations Author Lark Batey takes the reader on a fascinating and liberating journey of systematic investigation and self exploration that reveals the ruse of the matrix and guides the reader to the discovery of the Sovereign Self As a consciousness explorer the reader will travel through historical events that defined the matrix experience the story of our origins through the mythology of The Grand Experiment and learn more about archetypal influence by traversing the mountains and valleys of our inner landscape through The Fools Journey and other universal paths of awakening Traveling deeper into ones psyche the explorer discovers how the play of duality psychological overlays and shame deepen the oppression of the Matrixs hold upon us The next destination on the journey takes the explorer to the Field of All Possibilities where glimpses of the Sovereign Self appear Finally the matrix can be dismantled and the explorer can

Break Free from the Tyranny of Beliefsto dream new dreams that will create new worlds No More Secrets, No More Lies
Patricia Cori, 2010-05-18 Building on the historical perspective that characterized the previous book in the trilogy Atlantis Rising this final volume asks readers to remember that when they decided to come to this earth adventure blowing down the Establishment Walls would be a Herculean task But she adds Fall they would indeed Hastening this necessary next step in evolution to higher being says author Patricia Cori requires understanding the forces at work and how to challenge and conquer them No More Secrets No More Lies unmask the lies that have been employed to disempower the human race while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth Intended as a guide for overcoming the designs of the dark warriors and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm this provocative book brilliantly integrates into a larger schema such issues as media manipulation racism dark forces crop circles our food and water and imminent extraterrestrial contacts with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes our blueprint to immortality
