Process Improvement Markku Oivo, Seija Komi-Sirviö, 2003-07-01 On behalf of the PROFES organizing committee we would like to welcome you to the 4th International Conference on Product Focused Software Process Improvement PROFES 2002 in Rovaniemi Finland The conference was held on the Arctic Circle in exotic Lapland under the Northern Lights just before Christmas time when Kaamos the polar night is known in Finnish as Kaamos shows its best characteristics PROFES has

established itself as one of the recognized international process improvement conferences. Despite the current economic downturn, PROFES has attracted a record number of submissions. A total of 70 full papers were submitted and the program committee had a difficult task in selecting the best papers to be presented at the conference. The main theme of PROFES is professional software process improvement (SPI) motivated by product and service quality needs. SPI is facilitated by software process assessment, software measurement, process modeling, and technology transfer. It has become a practical tool for quality software engineering and management. The conference addresses both the solutions found in practice and the relevant research results from academia.
