Beknopt overzicht van de belangrijkste gebeurtenissen uit de Nederlandsche krijgsgeschiedenis van 1568 tot heden (1935) I. L. Uijterschout, 1977 Revolt in the Netherlands Anton van der Lem, 2019-03-15 In 1568 the Seventeen Provinces in the Netherlands rebelled against the absolutist rule of the king of Spain A confederation of duchies counties and lordships the Provinces demanded the right of self determination the freedom of conscience and religion and the right to be represented in government Their long struggle for liberty and the subsequent rise of the Dutch Republic was a decisive episode in world history and an important step on the path to the Universal Declaration of Human Rights And yet it is a period in history we rarely discuss In his compelling retelling of the conflict Anton van der Lem explores the main issues at stake on both sides of the struggle and why it took eighty years to achieve peace He recounts in vivid detail the roles of the key protagonists the decisive battles and the war s major turning points from the Spanish governor s Council of Blood to the Twelve Years Truce while all the time unraveling the shifting political religious and military alliances that would entangle the foreign powers of France Italy and England Featuring striking rarely seen illustrations this is a timely and balanced account of one of the most historically important conflicts of the early modern period **Exercise of Arms** , 2021-10-25 The great European conflict known as the Thirty Years War was only the final phase of a war in the Netherlands which was to last 80 years In the course of this the Dutch rose up successfully against their Spanish rulers and established a Republic in the early 16th century which was the envy of its contemporaries This volume brings together papers by 11 leading military historians from the Netherlands who discuss the processes by which the Dutch organised and financed the military apparatus which was eventually to defeat the leading land and maritime power of their day and to maintain the position of Holland as a world power until well into the 18th century Articles cover military matters such as changes in strategy and tactics and issues such as the financing of the war effort the navy privateering and the arms trade **The Art of Staying Neutral** Maartje Abbenhuis, 2025-10-01 The Art of Staying Neutral offers a fascinating insight into the problems and challenges associated with neutrality in an age of total war It explains how the Netherlands upheld and protected its non belligerency during the First World War despite constant interference from its warring neighbours Staying neutral was an artform that the Dutch managed to master through clever diplomacy conscientious adherence to international laws comprehensive mobilisation of its armed forces regular patrols of its territorial boundaries careful policing of its citizens and a decisive measure of good fortune The Art of Staying Neutral makes important contributions to the study of neutrality and the domestic history of the Netherlands in this seminal world event **The Low Countries History Yearbook 1982** J. De Belder, R. W. J. M. Bos, G. Teitler, C. B. Wels, C. Fasseur, A. Meynen, C. R. Emery, Johanna A. Kossmann, 2012-12-06 The present volume number 15 of the Acta Historiae Neerlandicae which have been appearing since 1978 under the title The Low Countries History Yearbook is the last of the series Economic reasons force the publishers to discontinue it This is a matter for regret Both the editors of

the Yearbook and the board of the Nederlands Historisch Genootschap under the auspices of which it has been published are convinced that the books serve a useful purpose We hope that in the future more favourable circumstances will enable Dutch and Flemish historians to start a second series We feel however that the Yearbook should not be allowed to disappear completely In our opinion one of its most attractive features has been the Survey of recent historical works on Belgium and the Netherlands published in Dutch It is the intention of the Nederlands Historisch Genootschap to seek means to continue this in another form probably in that of pamphlets appearing every two years and written by the same or a similar group of experts In that way we may be able to provide a useful service to our colleagues abroad Bibliografie der geschiedenis van Nederland H. de Buck, E.M. Smit, *The British Library General Catalogue of Printed Books to 1975* British Library, 1986

International review of military history, 1984 *De sterke arm, de zachte hand* Paul Moeyes, 2011-07-07 Don't shoot me I am only the piano player stamelde Dutchbatcommandant Karremans in 1995 Dan liever de lucht in riep Van Speijk nog heldhaftig in 1830 Honderdvijftig jaar na de Tiendaagse Veldtocht heeft Nederland structureel moeite met de gedachte dat zijn soldaten zich bezighouden met levensbedreigende activiteiten Het Nederlands leger is een curieus fenomeen Paul Moeyes stelt zich in *De sterke arm, de zachte hand* de vraag wat de plaats is van een leger in een niet-militaire cultuur als de onze en komt in een epiloog over Srebrenica tot de conclusie dat Nederland na honderd jaar gewapende neutraliteit en zestig jaar VN de oorlog nog altijd niet begrijpt **"Dat de regering niet en bestaat uit het corpus van de magistraten van Den Haag alleen"** F.
