Start a Quest to Discover the Purpose of Life AiR - Atman in Ravi,2023-01-01 Why did we come to earth Why did we take this human birth What is the purpose of our existence We just live and die we look up at the sky we cry and we ask Why We don t discover who we are and why we are here Isn t it time to start a quest to discover the purpose of life To take that inner voyage to realize that I am not the body that will die not the mind that I cannot find not the ego that says I it is a lie This journey will lead us to the state of truth Consciousness where there is Eternal Bliss Divine Love and Everlasting Peace This book will not only help you start a quest but will also take you to achieving your ultimate goal of realizing you are the Divine Soul and being liberated and united with the Divine

Believing History Richard Lyman

Bushman,2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book s ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book s fascination with records translation and history Yet Believing History also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world Believing History offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman s arguments he provides us with a provocative and open look at a believing historian studying his own faith
