Belle Moral A Natural History:

Belle Moral Ann-Marie MacDonald, Playwrights Canada Press, Academy of the Shaw Festival, 2005 Premiered at the Shaw Festival one of the largest classical repertory theatres **Belle Moral** Ann-Marie MacDonald, 2008-05-13 In *Belle Moral A Natural History* we are steeped in a world on the cusp between magic and art and science and madness Set in 1899 just outside Edinburgh the play unfolds in the venerable estate known as Belle Moral home to Pearl MacIsaac an avid amateur paleontologist and proud new woman her maiden Aunt Flora a sweetly maternal figure who nonetheless keeps an iron grip on her set of keys and a staff of quirky household retainers who seem to know more than they are willing say As Pearl steels herself for the reading of her late father's will and the inevitable arrival of her wayward younger brother Victor she also does her best to dismiss the sinister signs that her home may house another occupant one whose existence her aunt and the good Doctor Reid seem determined to keep secret This dark yet redemptive gothic comedy is a story both of family secrets that come to life and the birth pangs of the modern era but above all it is truly a play of morals Reaching out in two directions to reconcile the extremes of rationalism and romanticism *Belle Moral* embraces a complex range of thought with Ann Marie MacDonald's incisive insight and trademark wit Copyright 2005 A M MacDonald Holdings Inc CAUTION Professionals and amateurs are hereby warned that BELLE MORAL is subject to a royalty It is fully protected under the copyright laws of the United States Canada United Kingdom and all British Commonwealth countries and of all countries covered by the International Copyright Union the Pan American Copyright Convention and the Universal Copyright Convention All performance rights including professional amateur motion picture recitation public reading radio broadcasting television video or sound taping all other forms of mechanical or electronic reproduction such as information storage and retrieval systems and photocopying and rights of translation into foreign languages are strictly reserved Inquiries concerning the performance rights should be directed as follows Lorraine Wells and Company Talent Management Inc 10 St Mary Street Suite 320 Toronto Ontario M4Y 1P9 416 413 1676 fax 416 413 1680 *Belle Moral* Ann-Marie MacDonald, Playwrights Canada Press, Academy of the Shaw Festival, 2005 Premiered at the Shaw Festival one of the largest classical repertory theatres **Women's Writing in Canada** Patricia Demers, 2019-08-22 Spanning the period from the Massey Commission to the present and reflecting on the media of print film and song this study attends to the burgeoning energy of women writers across genres It explores how their work interprets our national story The questioning disruptive feminist practice of their fiction filmmaking poetry song writing drama and non fiction reveals the tensions of colonial society at the same time as it transforms cultural life in Canada *Women's Writing in Canada* resurrects foremothers who were active before and after the mid century Ethel Wilson Gabrielle Roy Gwen Pharis Ringwood Dorothy Livesay and P K Page as well as such forgotten writers as Grace Irwin Patricia Blondal and Edna Jaques Its breadth extends to the contemporary voices and influences of novelists Tracey Lindberg and Heather O'Neill poets Marilyn Dumont and Leanne Betasamosake Simpson playwrights

otherness it is not surprising that many minority writers have avoided gothic metaphors In recent years however minority authors have shown an interest in the gothic signalling an emerging critical discourse This spectral turn sees minority writers reversing long standing characterizations of their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation

Adult Onset Ann-Marie MacDonald, 2015-04-14 From the internationally best selling author of *Fall on Your Knees* comes a story about the joy and agony of motherhood the dark undercurrents that break and hold families together and the transformative power of forgiveness Mary Rose MacKinnon is a successful author of YA fiction doing a tour of duty as stay at home mom while her partner Hilary takes a turn focusing on her career She tries valiantly to balance the mostly solo parenting of two young children with the relentless needs of her aging parents But amid the hilarities of full on domesticity arises a sense of dread Do other people notice the dents in the expensive refrigerator How long will it take Mary Rose to realize that the car alarm that has been going off all morning is hers and how on earth did the sharpest pair of scissors in the house wind up in her toddler's hands As frustrations mount she experiences a flare up of forgotten symptoms of a childhood illness that compel her to rethink her own upbringing her own family history Over the course of one outwardly ordinary week Mary Rose's world threatens to unravel and the specter of violence raises its head with dangerous implications for her and her children *Adult Onset* explores the pleasures and pressures of family bonds powerful and yet so easily twisted and broken Ann Marie MacDonald has crafted a searing terrifying yet ultimately uplifting story

Cahiers de la Femme, 1978 *Learning in Nature* Kelli Nigh, 2021-07-01 There is love on these pages love for nature the cosmos the body's deep knowing and students *Learning in Nature* focuses on the lives of 6 drama students who gathered weekly at a community arts center during their childhood and adolescence Before each play rehearsal the students explored contemplative practices such as meditation yoga breathing and visualization After these warm up sessions the rehearsals were dynamic and highly creative So what might happen if these students went out into nature and experimented with the same practices What would happen over a year long period if they stopped the noise of life and just listened deeply just looked and inhaled phenomenologically Returning the experience of learning to nature the book tells the story of this group it tells of their lives and their growing understanding of consciousness and does so through the complex and rich perspectives of holistic teaching and learning Praise for *Learning in Nature* *Learning in Nature* is a rich resource for holistic educators at all levels of education It offers a wealth of insights and ideas theoretical perspectives and practical activities This writing sings as it invites us to be alive to our senses our imaginations our intellects and intuitions alive and in the moment in the fullness of our humanity Mary Beattie Professor Emerita OISE University of Toronto In this sensitive and moving inquiry Kelli Nigh begins with a constellation of academic references that bear directly on aspects of ourselves that come into play in our life transformations images felt senses dreams imagination meditation symbolism and mind body experience Against this thoroughly woven backdrop the dramas of six young participants who share in Nigh's

inquiry unfold The inquiry is long over years There is another crucial aspect of it The landscapes and weather of Nature itself bluffs skies water trees wildlife flowers become the scenery through which all the participants stories gain significance Nigh with gentle insight and attention to detail demonstrates the evolution of what essentially becomes their imaginal learning in nature Throughout this play of sharing in nature Nigh includes glimpses of her own evolution of self as she inter folds her experiences with those of the others As Nature cycles through the seasons so cycle the lives of these individuals Nigh s academic and lyrical passages will inspire educators to widen teaching methods to include what it is beyond our everyday thought that significantly influences what we learn Vivian Darroch Lozowski Professor Emerita University of Toronto
