About God Gods Just Sayin:

I'm Just Say'n Thomas Vanleer, 2013-03-28 Daniel Kleinberger Professor of Law William Mitchell College of Law Very interesting style is steam of consciousness with forays into Scriptures setting the course for the stream Chris Wright President Minnesota Timberwolves Member of the Downtown Council Minneapolis Regional Chamber of Commerce Tom I have read a number of chapters but not all of it and really have no substantive changes or comments as a man of God you are a wonderful ambassador Reverend Lonnie L Branch I m Just Say n by the Reverend Thomas H Vanleer is inspired of God His experiences in life has been tempered by the Spirit of God in guiding him in ministry as well as writing May God continue to bless him George Blackwell Director of Community Affairs retired Qwest Communications The author of I m just say n has clearly captured the essence of what s good bad and in some cases what s evil in our society By using biblical scriptures Mr Vanleer uses clear references to articulate the differences and in some instances the similarities of each chapter I found the book to be very engaging very informative and very thought provoking I highly recommend this book for future reading

Just Say the Word! G. Robert Jacks, 1996 Over the years I ve heard some wonderful sermons writes G Robert Jacks I ve also heard some duds Some have been so extemporaneous they sounded as if the preacher hadn t prepared anything Some have been such wondrously crafted literary pieces they sounded as if the preacher wanted to sound wondrously crafted and literary Some have sounded as though the preacher were giving a lecture or reading a term paper That s because the preacher had written a lecture or term paper And some have captured the attention and the imagination and set the spark to ignite faith in the hearer That s because they were written to be listened to and to appeal to the sense world of the hearers Drawing on nearly thirty years of experience in critiquing sermon delivery Jacks here offers a practical hands on approach to writing sermons that consider listeners first Jacks gives samples and examples of writing that effectively captures and holds an audience s attention and he offers practical tips and suggestions intended to help each of us find a preaching style and voice of our own He also shows how to translate the jargon of theological textbooks into everyday language suggests methods for rewriting sermons to avoid some of the pomposity of sermonic proclamation and demonstrates ways to retell biblical narratives in fresh and imaginative ways Just Say the Word Writing for the Ear is a valuable resource that will help pastors and lay leaders communicate as effectively as possible the faith that is ours to share Just Say Thanks R.T. Kendall, 2005-07-13 ARE YOU More likely to criticize than to praise Quicker to complain than to thank Apt to Vent disappointment before expressing thankfulness If you have to answer yes to these questions you probably need to learn to be more grateful and appreciative GIVE THANKS IN ALL CIRCUMSTANCES FOR THIS IS GOD S WILL FOR YOU This book s life changing message will enable you to discover Why gratitude must be taught The power of offering a sacrifice of praise during times of adversity Why God s Word instructs us to have a grateful heart How you have God s undivided attention when you say thank you A greater anointing that comes from giving thanks to God What you should be most thankful for Why

sanctification is called the doctrine of gratitude Get ready to learn why and how to thank God causing you to receive the blessing that comes from the right attitude **Bible Studies from an Asshole** Ray Cabron,2016-12-14 Dear Christianity Look I know you meant well and I know you did the best you could but I think it s time that we have an intervention You ve been getting it all wrong I don t just mean the thing with being self righteous and not feeding the hungry or caring for the misfortunate Although that s certainly a part of it No It s more than that It s much more And I know you prefer everything to be nice and for there to be only clean language That s part of the problem too You see your failure is so bad that I can t help but use bad words So if you kindly would please give this a read I promise you ll learn a lot about your Bible you did not know and you ll never see your faith the same way ever again And maybe then you can get it right for a change From the author of the blog Bible Studies from an Asshole comes this humorous heartfelt and outrageously honest and eye opening work The Christian faith may never be the same again Everything and Nothing Graham Priest,Markus Gabriel,2022-09-15 Is it possible for reality as a whole to be part of itself Can the world appear within itself without thereby undermining the consistency of our thought and knowledge claims concerning more local matters of fact This is a question on which Markus Gabriel and Graham Priest disagree Gabriel argues that the world cannot exist precisely because it is understood to be an absolutely totality Priest responds by developing a special form of mereology according to which reality is a single all encompassing whole everything which counts itself among its denizens Their disagreement results in a debate about everything and nothing Gabriel argues that we experience nothingness once we overcome our urge to contain reality in an all encompassing thought whereas Priest develops an account of nothing according to which it is the ground of absolutely everything A debate about everything and nothing but also a reflection on the very possibility of metaphysics Deathline Mohamed Waseem,2012-01-31 This is a mystery thriller with unexpected twist at the end This story is not fictitious or a made up story Many thoughts explained in this story are based on my friends real life experiences and many incidents are adapted from my own experiences to make the chapters connected each other so that it would help me to create a character mentioned in the story Many thoughts are based on criticizing religions superstitions in the world and existence of god These thoughts are not influenced by any person group or religion Please do not consider this story as a mark of fundamentalism because I personally don t belong to any religion I believe Humanity as my religion and this is what I need to share as the moral of the story I do not have any intention to provoke anybody it s just a process of sharing from my world of reality I sincerely request you people to read the entire story before judging it I apologize in advance if my story hurts your emotions or convictions *The Theory of Eternal Thoughts* R.E.
