Arnold, 2017-09-18 Excerpt from The Life of Abraham Lincoln There is no doubt that for some time prior to the assassination of Mr Lincoln Mr Arnold had contemplated writing his life Previous to that event and while yet a member of Congress he had commenced to write the History of Abraham Lincoln and the Overthrow of Slavery which he completed and published in 1867 He brought to the preparation of that work the qualities of an able and conscientious historian who wrote very largely from personal knowledge and personal observation It is a book of real interest and exceptional historic value Important and valuable facts are to be Obtained therein which are not to be found elsewhere This work was never entirely satisfactory to Mr Arnold so far as it related to Mr Lincoln and hence some two years since he determined to write in a stricter sense the life of Mr Lincoln in the light of additional material he had gathered and disconnected with the history of the overthrow of slavery except in so far as the subject was connected generally with the administration Of Mr Lincoln About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Abraham Lincoln, Vol. 8** John G. Abraham Lincoln (Classic Reprint) J. Alfred Sharp,2015-07-14 Excerpt from Abraham Lincoln But though these things make it difficult rightly to appraise the life and work of Lincoln there is on the other hand one fact which helps all who desire to form clear and sane views in regard to him We have not to estimate his life while the voices of hostile faction and criticism are heard More than half a century has passed since the sharp crack of the pistol told that the assassin s bullet had sped on its way The voices of faction and criticism are now silent To day both North and South combine in paying homage to him whose grit and courage pre served intact the union of the States and thus saved the great Republic of the West The mists which at one time gathered so densely around his life have now been dis persed In all its massive strength and weird beauty that life now stands clear before us We see him as the emancipator of a whole race the mighty councillor whose patient courage and wisdom saved the life of the Republic in its darkest hour Above all illumining his proud eminence as an orator statesman and ruler there shines around his memory the halo of that tender humanity and Christian charity in which he walked among his fellow countrymen as their familiar companion and friend If it be true that no man can really be called great who does not leave behind him some enduring monument of his greatness then Lincoln need not fear comparison with any either in ancient or modern history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Abraham Lincoln** John G.
