

ABSEITS DER RAMBLAS (AKTUALISIERTE VERSION)

Touren durch Barcelona für Anfänger
und Fortgeschrittene

An aerial photograph of a wide, tree-lined street in Barcelona, likely the Carrer de Balmes. The street is flanked by tall, mature green trees that create a canopy effect. On the left side, there are several multi-story buildings with light-colored facades and red-tiled roofs. The street itself is paved and has a white-painted pedestrian crossing area in the center. People can be seen walking along the sidewalks and crossing the street. In the background, the dense urban landscape of Barcelona extends towards the horizon under a clear blue sky.
