Absolution A Novel Of Suspense:

Absolution ,2009 **Absolution** Carom Ramsay, Highly literate and entirely engrossing One of the year s best literary thrillers The Washington Post It s twenty years since police detective Alan McAlpine has set foot in Patrickhill Station and more than twenty years since he fell forever in love with the mute faceless woman he called Anna as she lay dying in Glasgow s Western Infirmary Daily he d watched over her and they had begun to communicate with each other she by moving her wounded fingers Her fingers could not tell the sad unseasoned police cadet her name however or name for him the father of her newborn baby girl or identify the assailants who had flung the acid in her once incomparably beautiful face Or tell him how she d smuggled a cache of uncut diamonds into Scotland Now McAlpine is back in Patrickhill where he s been summoned to head up the investigation of a disturbing murder case Two women their arms outstretched their legs together and feet crossed at the ankle have already died at the hands of a man the press has tagged the Crucifixion Killer With crimes in the present continually detouring both McAlpine and the elusive killer he pursues into an unredeemed past the mystery in this steely piercing psychological thriller is as gripping as its twists are surprising And *absolution* proves to be extreme

Absolution Olaf Olafsson,2003-10-14 In his spellbinding first novel acclaimed Icelandic author Olaf Olafsson takes us inside the mind of a man haunted by the crime he willed half a century earlier Expatriate businessman Peter Peterson left behind the trappings of a seemingly charmed life a vast fortune two children and a stately Park Avenue address But he also left behind another legacy a secret from long ago that shadowed his accomplishments and estranged him from his loved ones a crime of passion committed in the throes of unrequited love that became a lifetime s burden Yet when Peter is forced to confront the consequences of his actions an unexpected turn of events shakes the very foundation of his past Spanning a boyhood in Iceland to the Nazi occupation of Denmark to modern day Manhattan *Absolution* calls up Dostoevsky and Ibsen as it masterfully plumbs the darkest corners of a sinister mind and a wounded heart *Absolution* Gail Gallant,2014-09-02 In this suspenseful romantic sequel to *Apparition* Amelia Mackenzie reluctant teenage clairvoyant is caught up in a series of paranormal mysteries that threaten to unravel everything she believes in After Amelia s best friend and secret crush Matthew dies in an apparent suicide Amelia is heartbroken Adding to her upheaval is the realization that she is firmly in the clutches of Matthew s ghost Even after the barn in which Matthew had died is burnt to the ground Matthew s spirit continues to stalk the ruins and Amelia must try to take care of his increasingly restless and reckless ghostly acts It s not easy for Amelia to keep Matthew s presence a secret from her two brothers and her grandmother Joyce Amelia even tries to keep Matthew s survival from her ghost tracking mentor Morris and his son Kip But she is harbouring an even bigger secret these days her deepening feelings for Kip Unable to reconcile her longing for the flesh and blood Kip with her commitment to Matthew s ghost she s pushed Kip away Now he s gone back to school in Chicago and she can t get him off her mind By the time Amelia and Morris are given a new ghost tracking challenge Kip has returned to Grey County for spring break and long

buried sparks are beginning to fly As the trio set out to uncover the mysterious story behind a local inn that seems to harbour a ghost with a guilty conscience desperate for forgiveness the mystery only deepens Before long a stretch of country road nearby reveals a strange history of its own a series of fatal car accidents involving deer Is there a connection between the haunted inn and the deadly stretch of road that it s on With the rivalry intensifying between Matthew and Kip Amelia s heart is in more conflict than ever The ghost Matthew gets ever more comfortable in his phantom skin which means Kip s headed for trouble and only Amelia can protect him *Absolution Gap* Alastair Reynolds,2005-05-31 Alastair Reynolds continues his Revelation Space series with this first rate work of science fiction a thoroughly modern space opera full of dangers and marvels to match SF Site The Inhibitors were designed to eliminate any life form reaching a certain level of intelligence and they ve targeted Humanity War veteran Clavain and a ragtag group of refugees have fled into hiding Their leadership is faltering and their situation is growing more desperate But their little colony has just received an unexpected visitor an avenging angel with the power to lead mankind to safety or draw down its darkest enemy And as she leads them to an apparently insignificant moon light years away it begins to dawn on Clavain and his companions that to beat one enemy it may be necessary to forge an alliance with something much worse *Absolution* Caro Ramsay,2016 *The Absolution* Jonathan Holt,2015-12-08 In this mesmerizing finale to the revolutionary Carnivia Trilogy following *The Abomination* and *The Abduction* Venetian police captain Kat Tapo and U S Army intelligence analyst Holly Boland embark on their most dangerous and disturbing journey yet On Venice s popular Lido beach a man is found lying on the shore his throat slit and his tongue viciously torn out and his face covered by an unusual antique mask Superiors inside the Venice Carabinieri have finally given Captain Kat Tapo permission to run her first murder case But when she learns that the mask is a Masonic hoodwink and that the circumstances of the man s death are eerily similar to the Masonic punishment for betrayal she suspects that her appointment has darker implications As a woman she cannot penetrate the closed world of Italian freemasonry The dead man is identified as a senior partner in a small Catholic bank currently engaged in negotiations with one of Italy s richest men Yet Kat knows that when it comes to Venice s most powerful and influential money isn t the only motive for murder While she focuses on her investigation American intelligence analyst Holly Boland finds a document among her father s possessions that offers evidence of a shocking Cold War cover up The deeper the second lieutenant digs into what her father knew the more she begins to wonder Was her father silenced before he could expose the truth Reclusive genius Daniele Barbo creator of the anonymous virtual world Carnivia com makes a chilling discovery of his own his website has been contaminated by a malevolent virus that will cripple Italy unless he can break his own encryption and prevent catastrophe As the three cases merge the trio of allies uncover a conspiracy involving the security services the Church and the CIA a devastating plot stretching back decades that could destroy all three of them but not without a fight *Final Absolution* Patricia O'Keeffe Condon,2011-12-06 It is the sixties when Rosemary Beckett s mother is stricken with cancer and Rosemary leaves college to
