Abstract Adventure VII A Kaleidoscopia Coloring Organiscopic Patterns:

Abstract Adventure XI Kendall Bohn, August Stewart Johnston, Kaleidoscopia Books, 2016-03-01 It took me more than a year to finish the drawings in this book I took my time while working on drawings many all at once going back and forth between them I had fun coming up with all these different variations There are a wide range of ideas and many unusual shapes put together to make a whole array abstract patterns for you to take a relaxing and colorful journey into Abstract Adventure 11 26 of the 52 designs are what I call Clones These Clones are slightly altered from the original drawings forming another entirely unique perspective to the creative coloring experience This book contains color theories to guide you while coloring outside the box Colors also create harmonies discords patterns and depth Use these theories to help answer your questions and to bring out the artist in you Come Like us on Facebook and share your results Get access to free coloring pages <https://www.facebook.com/pages/Kaleidoscopia-Coloring-Books/197595267073>

Abstract Adventure VI Kendall Bohn, August Johnston, 2011-01-11 I started this book with a simple design using only curved lines the next with only right angles and finally acute and obtuse angles Combining slight variations of these different line elements I created puzzle like shapes I keep the line elements consistently inconsistent within the design but always have a common theme to tie them together All of the images in this book are designed so the lines at the edges of each page connect with the corresponding lines for every page side to side and top to bottom
