Access Expansion Post Massification Opportunities Participation:

Access and Expansion Post-Massification Ben Jongbloed, Hans Vossensteyn, 2015-12-14 This edited collection addresses the crucial issues emerging from the ongoing expansion of higher education focusing on how national systems of higher education can respond further expand when traditional routes to have been largely exhausted

The Business of Widening Participation Colin McCaig, Jon Rainford, Ruth Squire, 2022-10-10 A comprehensive policy history of widening participation in UK higher education and exploration of how that policy has translated into institutional practices in different contexts this timely work offers new analysis to academics familiar with the field and to practitioners who may be less so

High Participation Systems of Higher Education Brendan Cantwell, Simon Marginson, Anna Smolentseva, 2018 Within a generation we have seen an extraordinary global expansion of Higher Education By focusing on systems and countries with near universal participation and by developing a series of propositions about high participation in Higher Education this volume explores a transformation in education and society

Equity and Access to High Skills through Higher Vocational Education Elizabeth Knight, Ann-Marie Bathmaker, Gavin Moodie, Kevin Orr, Susan Webb, Leesa Wheelahan, 2022-03-08 This book explores new and distinctive forms of higher vocational education across the globe and asks how the sector is changing in response to the demands of the 21st century These new forms of education respond to two key policy concerns an emphasis on high skills as a means to achieve economic competitiveness and the promise of open access for adults hitherto excluded from higher education Examining a range of geographic contexts the editors and contributors aim to address these contexts and highlight various similarities and differences in developments They locate their analyses within the various political and socio economic contexts which can make particular reforms possible and achievable in one context and almost unthinkable in another Ultimately the book promotes a critical understanding of evolving provisions of higher vocational education refusing assumptions that policy borrowing from apparently successful countries offers a straightforward model for others to adopt

Dismantling Race in Higher Education Jason Arday, Heidi Safia Mirza, 2018-08-31 This book reveals the roots of structural racism that limit social mobility and equality within Britain for Black and ethnicised students and academics in its inherently white Higher Education institutions It brings together both established and emerging scholars in the fields of Race and Education to explore what institutional racism in British Higher Education looks like in colour blind post race times when racism is deemed to be off the political agenda Keeping pace with our rapidly changing global universities this edited collection asks difficult and challenging questions including why black academics leave the system why the curriculum is still white how elite universities reproduce race privilege and how Black Muslim and Gypsy traveller students are disadvantaged and excluded The book also discusses why British racial equality legislation has failed to address racism and explores what the Black student movement is doing about this As the authors powerfully argue it is only by dismantling the invisible architecture of post colonial white privilege that the 21st century struggle for a truly decolonised

academy can begin This collection will be essential reading for students and academics working in the fields of Education Sociology and Race

Massification of Higher Education in Asia Alfred M. Wu, John N. Hawkins, 2018-07-17 This book addresses important questions and puzzles regarding the massification of higher education in Asia It equips readers to critically evaluate and understand the consequences and challenges that massification entails while also prompting policymakers and higher education administrators to tackle emerging issues related to the massification of higher education Readers will gain a deeper nuanced understanding of this trend including its impacts and governance issues *OECD Skills Outlook 2019 Thriving in a Digital World* OECD, 2019-05-09 Economies and societies are undergoing digital transformations that bring both opportunities and challenges and countries preparedness to seize the benefits of a digital world is largely dependent on the skills of their population

Policy Analysis of Structural Reforms in Higher Education Harry de Boer, Jon File, Jeroen Huisman, Marco Seeber, Martina Vukasovic, Don F Westerheijden, 2016-11-09 This book addresses the complex phenomenon in higher education of structural reforms in higher education systems Across the globe governments initiate comprehensive reforms of their higher education systems because they want their models to be the best and to excel at what they do This regularly requires governments to change the higher education landscape to achieve their set objectives Changes can include merger processes the introduction of a new sector of higher education or a new type of higher education institution or excellence initiative This book explores the current understanding of how successful such comprehensive reforms have been through an examination of eleven reform cases in European countries For each reform the different phases of the policy process policy objectives design implementation policy tools and evaluation are systematically described and analysed to provide an overview of the factors that contribute to the success or failure of the reforms
