Awaken The Priestess And The Warrior Volume 1:

Journey to the Healer Zion Thurston, 2022-10-14 In the black primordial cosmic sea of everything and nothing the waves of chaos crash into each other expanding contracting bursting into light creating life shrinking into darkness and then vanishes into death In this enigmatic place where time is nonexistent and light is lost to the eternal abyss of space Omari journeys to discover the genesis of himself As he journeys into a realm beyond the unimaginable and the fantastic he contends with the essence of his triune existence He struggles with experiences unlocked by an unknown consciousness hidden in an ethereal place deep within his soul experiences hidden from the beginning of time immemorial even before the genesis of the formed universe Everything Omari was taught from birth to this moment is challenged as the boundaries of Omari's cemented world is shattered separating the trinity of his being into singular entities his mind body and spirit unraveling like a three cord rope warping his reality of space time continuum destroying the consciousness of his earthly identity and exposing the dysfunctionality of his triune being His twenty eight years of knowledge dissipate like a vapor as his encounter with the unknown forces him to reconsider the reality he has come to accept as truth Confronted by this new reality a consciousness beyond man's imagination Omari becomes aware of the dysfunctionality and the divisions within his soul an ongoing war that rages on between his body mind and spirit Awakened to this turmoil of his soul Omari also learns of a path that leads to the Healer A path he must now travel for the reunification and reconciliation of the trinity of his being and be healed of the afflictions that he has learned is the root cause of all mankind sorrow

A Light on the Hill (Cities of Refuge Book #1) Connilyn Cossette, 2018-02-06 Seven years ago Moriyah was taken captive in Jericho and branded with the mark of the Canaanite gods Now the Israelites are experiencing peace in their new land but Moriyah has yet to find her own peace Because of the shameful mark on her face she hides behind her veil at all times and the disdain of the townspeople keeps her from socializing And marriage prospects were out of the question until now Her father has found someone to marry her and she hopes to use her love of cooking to impress the man and his motherless sons But when things go horribly wrong Moriyah is forced to flee Seeking safety at one of the newly established Levitical cities of refuge she is wildly unprepared for the dangers she will face and the enemies and unexpected allies she will encounter on her way

Soyala's Saga Richard Donahue, 2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over

the Builders gift to her reluctant and confused acceptance of her destiny She isn't perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Burilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Burilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotl's increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit **Ancient Mysteries**

Tarot Book Roger Calverley, 2004 This book situates Tarot in its ancient roots with particular emphasis on the tradition of the Mystery Schools The suites are designated as Earth Water Air and Fire rather than the conventional Pentacles Cups Swords and Wands The first part of the book is a review of the ancient sources of Tarot and the dynamics of the archetypes with interesting sidelights on the author's personal experiences in this realm The reader is instructed by The Magician The Priestess and The Hermit about the meanings and wisdom of Tarot which he discovers to be a Book of Truth **Dark**

the realms of light of the Otherworld On a hidden path of love Coillore shows them how ancient fears from their fall from heaven are creating the sufferings in their lives how to heal these and achieve their highest dreams Every reader can do the same Contained in Coillore s lessons are the planes of the cosmic Diamond Core the seventh heaven and its consciousness of enlightenment The regents of the Celtic pantheon and the hidden streams of Celtic cosmology are explained in rich detail the result of twenty five years of painstaking meditation and research by the author This book is a call to the people of Alba to raise the standard of love and renew their ancient spiritual traditions But it is equally a call to all people on earth to move through the transformation process illustrated in the lives of Firinn and Soillse to heal all inner fear and thus create heaven on earth Dr Frew is a clinical psychologist and energy healer whose love of Alba and Celtic tradition has taken her on a lifelong journey of discovery Through inner druid guides and years of meditation she has unearthed information she was unable to find in an exhaustive search for answers in the outside world She believes these teachings to be accurate and they have radically opened her awareness to the constant love of God Goddess and the spirit world In the future Dr Frew envisions building a spiritual community in Alba that embodies these teachings and she hopes every person on earth comes to know the exquisite tenderness of the One Beloveds **The Athenaeum** ,1885 **Woman of Power** ,1986
