This collection bundles all 3 of popular author Melanie Shankle s previous books together in one e book for a great value Sparkly Green Earrings There is really no better indicator you re a mother than acquiring the ability to catch throw up in a plastic bag disinfect your hands and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood Written in the familiar stream of consciousness style of her blog Big Mama Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out Filled with personal stories from the decision to become a mother to the heartbreak of miscarriage and ultimately to the joy of raising a baby and living to tell about it Sparkly Green Earrings will make you feel like you re sitting across the table from your best friend A must read for anyone who s ever had a child or even thought about it The Antelope in the Living Room Welcome to the story of a real marriage Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on It is the joy of knowing there is someone to share in your joys and sorrows and the challenge of living with someone who thinks it s a good idea to hang a giant antelope head on your living room wall In The Antelope in the Living Room New York Times best selling author and blogger Melanie Shankle does for marriage what Sparkly Green Earrings did for motherhood makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage Nobody s Cuter than You There is nothing as precious in life as a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we ve substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the

commitment We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It's showing up laughing loud and crying hard It's forgiving and loving and giving the benefit of the doubt It's making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room* *Nobody's Cuter than You* is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say *Nobody's cuter than you*

French Twist Catherine Crawford, 2013-03-12 Adventures in Franco inspired American parenting a winning mix of

witty cross cultural observation hilariously blunt French wisdom and one American mom's journey to create her own hybrid parenting approach If there is no blood don't get up This single nugget of parenting gold offered by a French friend at the end of a long dinner party changed everything for writer Catherine Crawford her husband and especially the couple's two young daughters Crawford immediately began to see that while the United States had become the land of too involved parents forever wanting to talk through their kids feelings about well everything France employed a far more laissez faire attitude toward raising les enfants Learning to sleep through the night A few tears never hurt anyone Food Let them eat cake sure but only after they've sampled lamb chops broccoli rabe and the stinkiest of cheeses Short of shipping her daughters off to Paris for these and many other invaluable early life lessons Crawford did the next best thing She brought Old World style parenting to Brooklyn In the process she discovered that her kids could actually hold a thought silently for two minutes without interrupting adult conversation and that she didn't in fact need to buy out half the toy store to make their birthdays special She even found out how much her kids like lamb chops While combining the best attributes of the approach from a la with what she saw as American qualities worth preserving Crawford found a way to save her household and her sanity

Hilarious and insightful French Twist reveals how Crawford and her family survived le grand experiment and why they aren't ever going back to the way things were Advance praise for French Twist Presented with a touch of humor and spot on descriptions of childhood misbehavior the advice which touches on such topics as breastfeeding and school participation is practical and useful A refreshing approach to raising children Kirkus Reviews A charming and clever parenting chronicle Though some may prefer their naughty kids just the way they are this breezy entertaining study of parenting a la Paris may prompt others to pour a caf au lait and rethink their strategies Publishers Weekly French Twist describes an open minded experiment in French style parenting though apparently there's not even a French word for parenting and reveals itself as an honest examination of the author's own missteps and prejudices which we all can relate to and the whole overparenting trend in this country Are Catherine Crawford's conclusions French Who cares They're immensely logical and rational and delivered with an abundance of love Muffy Mead Ferro author of Confessions of a Slacker Mom Ever seen a French child throw a tantrum in a restaurant or talk back to his parents Neither has Catherine Crawford In French Twist she uncovers the secrets of French child rearing and then tries them out on her own family with remarkable results Part memoir part instruction manual French Twist is hilarious honest and incredibly useful Lori Leibovich executive lifestyle editor of The Huffington Post Catherine Crawford has written a great parenting book I can't wait to have kids and apply all I have learned here Wait hold on I'm being told I already have two kids This is incredible news I will begin applying immediately Adam Scott actor Parks and Recreation
