Human-Driven Experience Robert Harles, 2022-10-10 Explore the human side of the latest digital technologies and trends In Human Driven Experience The Battle for Trust in a Digital Age veteran digital strategist delivers a must read exploration of how to capture the attention of consumers whose tolerance for inauthenticity is at an all time low In the book you ll discover ways to harness the sometimes whiplash inducing pace of change in the marketplace to accelerate innovation in your own organisation The author discusses the need for increased mobility between functional areas like information technology digital and marketing and how privacy and security must become essential components of your brand s promise to consumers You ll also find Strategies for creating end to end digital experiences that hit home with consumers Techniques for rising above the ever loudening din of inauthentic advertising and marketing that has made consumers increasingly sceptical of new and established brands Incisive discussions of how data is becoming ever more targeted identifiable and real time and what to do about it Perfect for executives managers and other business leaders Human Driven Experience is also a can t miss resource for marketing digital and IT professionals looking for ways to make sense of a consumer landscape that s been turned upside down by digital technologies

Working in America Amy S. Wharton, 2015-11-17 The Great Recession brought rising inequality and changing family economies New technologies continued to move jobs overseas including those held by middle class information workers The first new edition to capture these historic changes this book is the leading text in the sociology of work and related research fields Wharton s readings retain the classics but offer a new spectrum of articles accessible to undergraduate students that focus on the changes that will most affect their lives New to the fourth edition

Shifting the Center Susan J. Ferguson, 2022-11-21 Shifting the Center Understanding Contemporary Families Sixth Edition is a popular anthology of readings used in Sociology of Family and of Marriages Families Intimate Relationship courses Editor Susan J Ferguson brings together carefully selected pieces written by leading family researchers and drawn from a variety of scholarly sources including articles from the leading family journals and excerpts from several classic book length studies She also provides background and context to help students connect the topics in the readings to the broader themes in the study of family sociology The table of contents follows the same scope and sequence as the leading family survey texts

So How's the Family? Arlie Russell Hochschild, 2013-09-30 In this new collection of thirteen essays Arlie Russell Hochschild author of the groundbreaking exploration of emotional labor The Managed Heart and The Outsourced Self focuses squarely on the impact of social forces on the emotional side of intimate life From the work it takes to keep personal life personal put feeling into work and empathize with others to the cultural blur between market and home the effect of a social class gap on family wellbeing and the movement of care workers around the globe Hochschild raises deep questions about the modern age In an eponymous essay she even points towards a possible future in which a person asking How s the family hears the proud answer Couldn t be better

The Milk Memos Cate Colburn-Smith, Andrea

Serrette,2007-03-15 This one of a kind guide to balancing motherhood and work is based on actual journals kept by a group of IBM women during their visits to the company s employee lactation room It all began when IBM manager Cate Colburn Smith sat down in the company s employee lactation room shed a few silent tears and wrote the following on a paper towel I m a new mom and today is my first day back at work Is anyone else using this room Right away women responded and the paper towel was eventually replaced by a series of notebooks in which women offered one another advice and support on juggling work and a newborn Based on the original notebooks The Milk Memos is a heartwarming encouraging and often hilarious guide to working motherhood It s one of the most existential moments any woman will face sitting in a small room tucked away in the bowels of your company pumping breast milk for a child so close to your heart yet at that moment so far away The Milk Memos records the voices of mothers who while struggling with the difficulties of blending their two lives prove that women don t have to choose between work and family Their thoughts on how it can be done will inspire women everywhere This invaluable book weaves the actual Milk Memos journal entries with information packed sections on such topics of great concern to working moms as finding a private place to pump breast milk at work and establishing a routine that you can maintain despite your busy workday establishing the right daycare solution getting a decent night s sleep with a new baby so that you can shine or at least glimmer during business hours and negotiating flextime part time or a job share with an employer The ultimate gift for any new mom who will soon return to work The Milk Memos is destined to become a classic on the parenting shelf The Baby Cheapskate Guide to Bargains Angela Wynne,2012-05-01 How to get everything you need for your new baby without breaking the bank When Angela Wynne started preparing for her baby s arrival she was overwhelmed by all the must haves she supposedly needed She quickly discovered that the average American family can expect to shell out more than 23 000 for the first two years of the baby s life Daunted by the cost of having a baby Angela soon realized she had a gift for ferreting out the best bargains and decided to share her findings with other parents online with her uber successful blog BabyCheapskate com And now in The Babycheapskate Guide to Bargains she gives you must have advice on buying the best for your baby for less You ll learn What you need for your baby and what you don t need The principles of shopping smart Where to find great deals on baby products both online and off How to use social media to find bargains and get advice How to demystify couponing and other insider savings techniques And much much more Outlining easy to follow effective saving strategies this indispensable guide takes the financial guesswork and all the unwanted stress out of planning for a baby *The Outsourced Self* Arlie Russell Hochschild,2012-05-08 From the famed author of the bestselling *The Second Shift* and *The Time Bind* a pathbreaking look at the transformation of private life in our for profit world The family has long been a haven in a heartless world the one place immune to market forces and economic calculations where the personal the private and the emotional hold sway Yet as Arlie Russell Hochschild shows in *The Outsourced Self* that is no longer the case everything that was once part of private life love friendship child rearing is being

transformed into packaged expertise to be sold back to confused harried Americans Drawing on hundreds of interviews and original research Hochschild follows the incursions of the market into every stage of intimate life From dating services that train you to be the CEO of your love life to wedding planners who create a couple s personal narrative from nameologists who help you name your child to wantologists who help you name your goals from commercial surrogate farms in India to hired mourners who will scatter your loved one s ashes in the ocean of your choice Hochschild reveals a world in which the most intuitive and emotional of human acts have become work for hire Sharp and clear eyed Hochschild is full of sympathy for overstressed outsourcing Americans even as she warns of the market s threat to the personal realm they are striving so hard to preserve
